I acknowledge that any operational assessment performed by Millennium on the identified real estate investment is solely to determine that the investment is administratively feasible for Millennium under the above-referenced account and review or acceptance of the investment by Millennium in no way should be construed as an endorsement of any investment, investment company or investment strategy. Millennium is neither an agent nor a representative of any investment program or other entity in which or with which I may invest; and any salesperson, promoter, financial advisor, broker or other party involved in the purchase or sale of my investment shall be considered my own agent and representative and not the agent or representative for Millennium. Millennium shall not be responsible for or bound by any representations, warranties, statements or commitments made by such party.

4. *No Prohibited Transactions*. I understand that certain transactions are prohibited under Internal Revenue Code Section 4975 and ERISA. I further understand that the determination of whether the transaction directed hereby is a prohibited transaction or "party in interest" transaction depends on the facts and circumstances surrounding the purchase. I warrant and represent that the offering entity or any affiliate thereof is neither a "party of interest" (as defined in Section 3(14) of ERISA) nor a "disqualified person" (as defined in Section 4975(e)(2) of the Internal Revenue Code), that I have consulted with such advisors as I deemed necessary and appropriate, and have determined among other things, that this investment does not constitute a prohibited transaction as defined in Internal Revenue Code 4975).
