**OBJECTIVES**

This continuing nursing educational (CNE) activity is designed for nurses and other health care professionals who care for and educate patients and their families regarding detection and management of pediatric conditions and their possible effects on male fertility. For those wishing to obtain CNE credit, an evaluation follows. After studying the information presented in this offering, you will be able to:

1. Discuss the pediatric diagnoses that may affect future male fertility.
2. List the chromosomal causes of male infertility.
3. Explain fertility preservation treatment options for male patients diagnosed with Klinefelter syndrome.
4. Describe the significance of the absence of the vas deferens as an indicator of cystic fibrosis.
5. Discuss the structural anomalies of the testes in male pediatric patients that may contribute to future infertility.

**CNE INSTRUCTIONS**

1. To receive continuing nursing education credit for individual study after reading the article, complete the answer/evaluation form to the left.
2. Photocopy and send the answer/evaluation form along with a check or credit card order payable to **SUNA to Urologic Nursing**, CNE Series, East Holly Avenue Box 56, Pitman, NJ 08071-0056.
3. Upon completion of the answer/evaluation form, a certificate for 1.4 contact hour(s) will be awarded and sent to you.
4. CNE forms can also be completed online at [www.suna.org](http://www.suna.org).

This activity has been provided by the Society of Urologic Nurses and Associates.

The Society of Urologic Nurses and Associates is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

The Society of Urologic Nurses and Associates is a provider approved by the California Board of Registered Nursing, provider number CEP 05556. Licensees in the state of CA must retain this certificate for four years after the CNE activity is completed.

Accreditation status does not imply endorsement by The Society of Urologic Nurses and Associates or the American Nurses Credentialing Center of any commercial product.
