

Society of Urologic Nurses and Associates

43rd
Annual Conference

November 2-5, 2012

Washington, DC
Marriott Wardman Park Hotel

www.suna.org

Annual Conference

On behalf of the 2012 Annual Conference Planning Committee and the Society of Urologic Nurses and Associates' Board of Directors, I would like to invite you to attend the 43rd Annual Conference to be held at the Marriott Wardman Park Hotel in Washington, DC.

Our planning committee has worked hard to provide our conference attendees with a dynamic program. Our conference has something for everyone, including outstanding faculty offering a wide range of topics to enhance your urologic knowledge.

All sessions are available to everyone, regardless of stated level (basic, intermediate or advanced). Please note that even if the course is listed as advanced practice, feel free to sign up for the session. This

conference is **YOUR TIME** to pick and choose what interests **YOU!** Take the opportunity to see what happens to your patients in other settings. You see the patient pre and post-op; take the opportunity to see what happens in the operating room.

You will have an opportunity to network with those from your region or your special interest group (SIG), and share your ideas and challenges that we all face in these economic times.

Socializing is another part of SUNA life. Our SUNA party and silent auction are two big favorites and add to a night of fun.

I look forward to seeing everyone in Washington, D.C.

Fran P. Foley, RN, MSA, CURN
Annual Conference Planning
Committee Chairperson

Who Should Attend...

Anyone involved or wishing to become involved in urologic health care including:

- Nurses
- Advanced Practice Nurses
- Physician Assistants
- Technicians
- Medical Assistants
- Office Personnel
- Industry Representatives
- Physicians

What's Inside...

Hotel Information	4
Transportation	4
Contact Hour Credit and Continuing Medical Education Credit	4
Program	6
Faculty	12
Conference Registration Form	13

Annual Conference Planning Committee

Fran Foley, MS, RN, CURN, Chairperson
Lee Ann Boyd, MSN, ARNP, CUNP
Barbara Broome, PhD, RN, FAAN (not shown)
Irene Stazzone, RN, CURN
Craig Barber, MBA, RN, CURN

Certification Review Course Director

Christy B. Krieg, MSN, CUNP

APN Course Director

Jeffrey A. Albaugh, PhD, APRN-BC, CUCNS

Director of Education

Rosemarie Marmion, MSN, RN-BC, NE-BC

SUNA Board of Directors

Valre W. Welch, MSN, CPNP
President

Amy E. Driscoll, BSN, CURN, CCCN
Immediate Past President

Debbie Hensley, BSN, RN, CURN
President Elect

Victor Senese, BSN, RN, CURN
Treasurer

Debbie S. Buback, MSN, RN, ANP
Secretary

Cheryl A. LeCroy, MSN, RN
Northeast Regional Director

Shanna Atnip, MSN, WHNP-BC
Southeast Regional Director

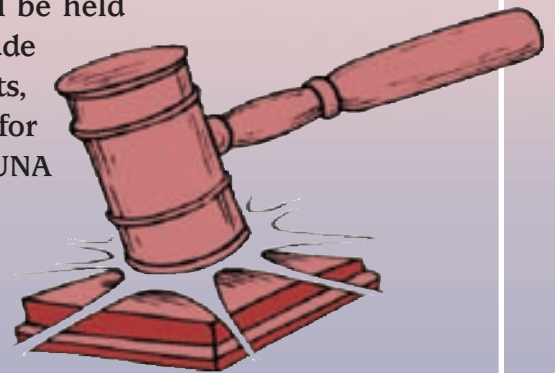

Vanessa Spears, BSN, RN, CURN, MHA
North Central Regional Director

Cindie Neufeld, RN, CURN
Western Regional Director

And The Winning Bidder Is...

The Sixth Annual SUNA Foundation Silent Auction will be held Saturday, November 3. Donated items for auction will include collectibles, practical and frivolous items, high tech gadgets, and original creations. You can find something of interest for yourself or a gift for someone else at the Sixth Annual SUNA Foundation Silent Auction.

Join us for the excitement of this FUNdraiser to provide funding for the scholarships administered by the SUNA Foundation. And whether you donate or have a winning bid, or both, it's all tax deductible. See page 15 for more details.

Conference Information

The goal of this conference is to enhance the ability of urologic nurses and associates to provide quality care to urologic patients and provide opportunities to learn from and network with experts in the field of urologic nursing.

Advanced Practice Track

This year at the Annual Conference we will offer even more exciting advanced practice nurse and physician assistant training. The track will feature workshops, education sessions and networking designed specifically for advanced practice clinical knowledge and skills. The program includes:

- An all day cystoscopy workshop (includes lectures and hands-on training) and a **new** half day pre-conference on image evaluation of GU conditions where attendees will challenge their knowledge with participation in advanced and complex case study presentations.
- A 2 hour and 15 minute hands on advanced practice workshop with rotations every 45 minutes to stations including pelvic floor rehab and myofascial release, male genital exam, female genital exam, pessaries, and penile injections for erectile dysfunction and treating priapism.
- Dedicated advanced practice track education sessions including advanced pharmacology, urodynamic interpretation, metabolic stone evaluation, advanced case studies with imaging and definitive evaluation, and advanced update on menopause.
- Alternative sessions on other urologic topics and networking opportunities with other APNs and PAs throughout the conference

Weather And Attire

The weather in Washington, DC will be nice with an average temperature of 57 degrees during the day, while evenings tend to be a bit cooler, around 40 degrees. Be sure to pack a sweater, light jacket or wear layers in the air conditioned classrooms. We also suggest that you bring comfortable walking shoes for your conference activities.

Hotel Information

The Marriott Wardman Park has been designated as the headquarters hotel for the SUNA Annual Conference. A block of rooms has been secured for attendees at the special rate of \$189 single/double. Rates are subject to applicable state and local taxes (currently at 14.5%). The special rate is available until Friday, October 5, 2012. Reservations received after this date will be accepted on a space and rate available basis. To make your reservations, call (877) 212-5752 and refer to the SUNA Annual Conference, or make your reservations online at www.suna.org. Check in time is 4:00 pm and check out time is 12:00 pm.

Marriott Wardman Park is a beautiful hotel in the heart of the nation's capital. It is graced with history as both past presidents and socialites have gathered there for extravagant parties and weddings since 1928. Come and enjoy the luxurious settings found throughout the hotel and relax by the beautifully landscaped gardens.

Airport/Transportation

The Marriott Wardman Park is conveniently located within easy access of three airports with all major airlines flying to them. Reagan National Airport (DCA) is the closest, only 9 miles away, Washington Dulles International Airport (IAD) is 25 miles away and the Baltimore/Washington International Airport (BWI) is 33 miles away. The hotel does not provide shuttle service; however, Metro service and taxi cabs are available. If using the Metro, the Woodley Park stop (red line) is directly in front of the hotel. Ground transportation from various airports follows. All pricing is current at the time of printing and is subject to change.

From DCA: Metro to hotel: \$2.00 one way, Taxi: \$30.00 one way

From IAD: Taxi: \$60.00 one way

From BWI: Amtrak to Union Station then Metro to hotel: \$16.

Taxi: \$88.00 one way

Parking On-site

Valet and onsite parking are available at the Marriott Wardman Park Hotel.

On-site parking fee: \$19 hourly, \$34 daily

Valet parking fee: \$39 daily

All pricing is current at the time of printing and is subject to change.

Guest Registration

Guest badges are available as a courtesy for paid attendees. A "guest" is defined as a spouse, family member, significant other, friend, or adult child (over 16 years old). A co-worker or an associate within the industry does not qualify for the guest registration fee. The fee is \$100, which entitles the guest to visit the Exhibit Hall and attend the SUNA Party, or \$50 for each activity if purchased separately. Guest fees do not include admission to meal functions or corporate sponsored symposia.

Continuing Nursing Education Credit

SUNA's 43rd Annual Conference will offer 14.25 contact hours. In addition, Preconference Workshops will offer the following: Preconference 010 – 7.91; Preconference 020 – 6.75; Preconference 030 – 4.25; Preconference 040 – 6.75; Preconference 050 – 7.5

The Society of Urologic Nurses and Associates (SUNA) is accredited as a provider of continuing nursing education by the American Nurses' Credentialing Center's Commission on Accreditation (ANCC-COA).

Conference Information

The SUNA accreditation is reciprocal in the states and specialty organizations that recognize the ANCC-COA accreditation process. SUNA is also a provider approved by the California Board of Registered Nursing, Provider Number CEP5556. Accreditation and approved provider status of CE in nursing does not imply ANCC-COA approval or endorsement of any product, advertising, or educational content. SUNA urges all participants to be aware of the CE requirements for relicensure in the states in which they hold a license.

Continuing Medical Education (CME) Credit

This program is not yet approved for CME credit. Conference organizers plan to request 19 hours of AAPA Category I CME credit from the Physician Assistant Review Panel. Total number of approved credits yet to be determined.

Call For Session Moderators

Your help is needed to assist with speaker support during the educational sessions. If you've been looking for an opportunity as a SUNA member to get involved in the organization, this is a great occasion for meeting other members and welcoming colleagues to the conference. As a session moderator, you will introduce the speaker from the podium, handle A/V equipment for the speaker, and keep the session on time. There will be an orientation session for all moderators on Friday, November 2 from 5:00 pm - 5:30 pm. To volunteer, mark your conference registration form or contact the SUNA National Office at 1-888-TAP-SUNA.

SUNA's Online Library

The speaker's handouts from educational sessions at this conference will be available online approximately two weeks prior to the conference. Visit www.prolibraries.com/suna and create your Online Library account to access the handouts and obtain CNE. Most sessions from this conference will be recorded and available in the Online Library following the conference.

Room Sharing

If you are interested in sharing a room during the conference and would like your name on the Willingness to Share a Room List, send your name to the SUNA National Office via E-mail suna@ajj.com. Please indicate where you prefer being called. The information must be received by September 7, 2012. Your name, phone number and email address will be circulated to others on the list. It will be your responsibility to contact them directly and make arrangements to share a room.

Sponsored Meals

Although we try to obtain sponsorship for the meals listed as "pending" in this brochure, it is not always possible. We regret that if sponsorship is not received, those meals will be on your own.

Corporate Sponsored Sessions

Some states have enacted strict compliance and disclosure requirements for pharmaceutical and medical device manufacturers and healthcare professionals. If your state does *not* permit sponsors to provide meals during educational sessions, you may attend the session, but you will not be permitted to partake of the meal.

SUNA occasionally uses photographs of SUNA conference participants in its newsletter, Web site, promotional materials, and in the *Urologic Nursing Journal*. By virtue of your attendance at the annual conference, you agree to usage of your likeness in such material.

Tracks

The use of educational tracks is a unique method to present session information. It allows participants to choose sessions that are applicable to their special areas of practice or interest. Each concurrent session listing falls within a special interest group or advanced practice track. The following summary information is provided to assist participants in pursuing a special track:

Sessions	Session Numbers
Advanced Practice (APN)	144, 164, 244, 254, 334, 344
ESWL/OR/Cysto (EOC)	141, 143, 153, 241, 251, 252, 343
General (GEN)	142, 151, 152, 161, 162, 163, 242, 253, 331, 332
Inpatient (INPT)	141, 143, 153, 242, 251, 252, 342
Office (OFC)	151, 161, 162, 163, 241, 251, 252, 333, 343
Outpatient (OPT)	141, 143, 151, 162, 163, 241, 251, 333, 342, 343
Pediatrics (PEDS)	143, 241, 341
Urodynamics (UD)	241, 243, 333

Preconference Workshops

Thursday, November 1

3:00 pm – 7:00 pm
Registration

Friday, November 2

6:30 am – 5:00 pm
Registration

7:00 am – 8:00 am
Continental Breakfast

7:30 am – 5:00 pm
010 Certification Review (separate fee)

Jeffrey Albaugh, PhD, APRN, CUCNS
Tamara Dickinson, RN, CURN, CCCN, BCIA-PMDB
Christy Krieg, MSN, CUNP
Leanne S. Schimke, MSN, CRNP, CUNP
Valre W. Welch, MSN, RN, CPNP

Are you planning to seek certification in the specialty of Urologic Nursing? If so, this course is designed as a study session to prepare participants for the urology certification exam. This is an adjunct to preparing for the exam in addition to utilizing the detailed Examination Preparation Guide prepared by CBUNA. The course will examine pediatric anomalies, urinary tract inflammations, voiding dysfunction, obstructive uropathies, male infertility and sexual dysfunction, and urologic cancers. The course will also include some test taking strategies. Participants are expected to have knowledge of normal anatomy and physiology, as these will not be covered in the course. With enrollment, participants will have access to an on-line anatomy and physiology course.

8:00 am – 12:30 pm
020 Advanced Practice Diagnostic Imaging Evaluation (separate fee)

Robert Ball, MD
Brad Hornberger, MPAS, PA-C
Daniel J. Kowal, MD
Heather Schultz, NP

This workshop is designed for advanced practice nurses and physician assistants to gain knowledge in definitive diagnosis using imaging evaluation in their clinical practices. The workshop will identify appropriate imaging for diagnosing normal and abnormal urologic conditions. Clinical decision making skills will be enhanced through advanced and complex case study presentations. Register early! This workshop is limited to 50 participants.

11:45 am – 1:00 pm
Lunch on your own

8:00 am – 4:30 pm
030 Basic Urology (separate fee)

This preconference workshop will cover basic urology 101, including anatomy and physiology, diagnostic tests, terms, definitions, bladder and urethra disorders, kidney and ureter disorders, prostate, and male reproductive/genitalia disorders. This course is designed for SUNA's associate members, those new to urology or those wishing a basic review of urology. This course is not intended for those preparing to take the certification exam.

Urologic Anatomy and Physiology and Disorders of the Male Genitalia

Jill Leanne Freeman, MAN, APRN-BC, ANP, CUNP

Urologic Terms and Diagnostics, the Prostate, Urology 101 Review

Theresa L. Kolle, BSN, RN, CURN

Disorders of the Kidney and Ureters and Disorders of the Bladder, Urethra, and Pelvic Floor

Roberta Stolp, BSN, PHN, CCCN, CNOR

8:00 am – 5:15 pm
040 Advanced Practice Workshop: Cystoscopy (separate fee)

Robert Ball, MD
Frances P. Foley, MHCA, BS, RN, CURN
Brad Hornberger, MPAS, PA-C
Heather Schultz, NP
Eileen Young, RN, CNOR

This workshop is designed for advanced practice nurses and physician assistants involved in performing cystoscopy. The course will feature presentations on normal anatomy and physiology, and pathophysiology within the bladder. There will also be hands on training with the cystoscopes. Register early! This workshop is limited to 50 participants.

8:00 am – 5:15 pm
050 The Basics of Urodynamics (separate fee)

Cheryl LeCroy, MSN, RN
Betsy Omeis, BSN, RN

Urodynamic testing provides extremely valuable and useful information for the care of urologic patients with voiding dysfunction. However, they can be daunting to perform and interpret. This informative basic urodynamic preconference will take the participant through the entire process: from set-up to basic interpretation. Case studies will be utilized to “pull it all together.”

Special Interest Area

APN = Advanced Practice	OFC = Office
EOC = ESWL/OR/Cysto	OPT = Outpatient
GEN = General	PEDS = Pediatrics
INPT = Inpatient	UD = Urodynamics

Annual Conference

Saturday, November 3

7:00 am – 6:00 pm
Registration

7:30 am – 8:30 am
Continental Breakfast

7:30 am – 8:30 am
101 New Members and First-Time Attendees Welcome and Orientation Breakfast

New members and first time conference attendees are encouraged to attend this orientation to learn about SUNA and its Annual Conference. We know that getting around during the conference can be confusing to first-time attendees, so this orientation will help you know who's who and what's what.

8:00 am – 12:00 nn
Certification Exam
Preregistration is required. The certification application is available at www.cbuna.org (click on the Certification tab) or call CBUNA for details at 856-256-2351. All applications must be postmarked by September 7, 2012.

8:30 am – 8:45 am
Conference Welcome
Frances P. Foley, MHCA, BS, RN, CURN, Program Chair
Valre W. Welch, MSN, RN, CPNP, President

8:45 am – 9:45 am
110 Keynote Address
Hot Topics for Nurses in the Current Health Care Environment
Jan Towers, PhD, NP-C, CRNP, FAANP, FAAN

This presentation will be based on the latest happenings on the Hill!

9:45 am – 10:00 am
Break

10:00 am – 11:15 am
120 GENERAL SESSION
Prostate Cancer: My Experience on Both Ends of the Knife
Carrington Mason, DO

As a urologist and surgeon who had treated many men with prostate cancer, Dr. Mason found out what it was like to be diagnosed with the disease himself. This presentation will inform the audience how this affected him as a person, as a urologist, and his relationship with his patients.

11:15 am – 12:45 pm
130 Corporate Luncheon Symposium
Pending corporate support

1:00 pm – 2:00 pm ★ CONCURRENT SESSIONS

EOC/INPT/OPT

141 The Secrets to Our Success with Sacral Neuromodulation for Voiding Dysfunction (I)
Cindy Dobbmeyer-Dittrich, BSN, RN, CURN
Glenn Sulley, BS, RN

Two speakers will discuss the role of InterStim as a treatment for urinary and fecal incontinence. Two different practices, two different approaches, but with the same results.

GEN

142 Writing for Publication: Helpful Hint (I)
Jane Hawks, PhD, RN, BC

Bring your ideas and manuscripts to this workshop! The Editor of *Urologic Nursing* will provide tips for getting started, discuss author guidelines, outline the publication process and offer suggestions for overcoming writer's block. Emphasis will be placed on answering specific questions related to manuscript development for both new and experienced authors. You will receive assistance to develop a plan for making your idea into a manuscript

EOC/INPT/OPT/PEDS

143 Testicular Cancer in Children (I)
Pamela Ellsworth, MD

This presentation will review the epidemiology, evaluation and management of testicular tumors in children and adolescents, with an emphasis on testis sparing surgery when appropriate and post-radical orchiectomy management of germ cell tumors in children and adolescents.

1:00 pm – 3:15 pm ★ CONCURRENT SESSION

APN

144 APN Hands-on Workshop

This advanced practice session provides multiple stations including pelvic floor rehab and myofascial release, male and female genital exam, pessaries and penile injections for erectile dysfunction and treating priapism. Participants must choose three of the five stations and rotate to each one every 45 minutes. Register early! This session is limited to 50 participants.

- Female Genital Exam
Donna J. Carrico, WHNP, MS
- Male Genital Exam
Heather Schultz, NP
- Pessaries
Gwen Hooper, APRN, CUNP
- Pelvic Floor Rehab and Myofascial Release
Amy Hull, MSN, WHNP-BC
- Penile Injections for Priapism & ED
Ken Mitchell, MPAS, PA-C

Annual Conference

2:15 pm – 3:15 pm ★ CONCURRENT SESSIONS

GEN/OFC/OPT

151 Screening for Prostate Cancer in 2012 (B)

Edmond L. Paquette, MD

This session will contain a review of the published literature and the risks and benefits of screening for prostate cancer. The newest controversy on the accuracy of PSA will also be discussed.

GEN

152 Basic GU Imaging (B)

Daniel J. Kowal, MD

Diagnostic imaging can be very helpful in determining a definitive diagnosis. This session will focus on some common imaging used for urologic disorders and how that imaging can help determine diagnosis. This lecture is for the beginner and/or intermediate participant.

EOC/INPT

153 What You Need to Know About Caring for Patients with Urinary Diversions (B)

Kelsey A. Skeffington, BSN, RN, CWOCN

This session will provide an overview of surgical procedures that result in urostomies (ileal conduit, Indiana pouch, ureterostomy, Mitrofanoff, Kock pouch, and neo bladder). Stomal assessment pre/post operatively, care of stoma and conduits pre and post op, pre-op and post-op emotional support needs, post-op complications & immediate post-op care and long term care will also be discussed.

3:15 pm – 3:30 pm
Break

3:30 pm – 4:30 pm ★ CONCURRENT SESSIONS

GEN/OFC

161 Erectile Dysfunction: Causes and Treatment (B)

Edmond L. Paquette, MD

This session will provide an overview of the causes and treatment options for erectile dysfunction, and provide new options for an age old dilemma.

GEN/OFC/OPT

162 Evaluation of Hematuria Case Studies in Urology (B/I)

Lee Ann Boyd, MSN, ARNP-C, CUNP

Microhematuria is a common presentation of many patients within urology practice. This session will include discussion on the incidence, etiology and common risk factors associated with hematuria. Differential diagnosis will be outlined. Common laboratory studies, diagnostic imaging and cystoscopic findings will be discussed. A variety of case studies will be presented, including images from diagnostic studies and cystoscopic examination findings, and treatment of the cause of the hematuria will be addressed.

3:30 pm – 4:30 pm ★ CONCURRENT SESSIONS *continued*

GEN/OFC/OPT

163 Coding ICD10CM (B)

Susanne Talebian, CUA, CHBC, RMM, CMOM, CPC, CCS-P, PCS

Introduction to ICD10CM: Developed by the World Health Organization and modified for the US, is to be implemented in October 2013. Strategic planning, budgeting and education is key to a smooth and successful transition. This seminar will touch the surface of each aspect of planning, budgeting, implementation and show by example what urology looks like in ICD10CM. A riveting fast-paced seminar for the not weak-at-heart coding provider. It'll open your eyes and get you on the right path to a successful transition.

APN

164 Advanced Case Studies with Diagnostic Testing and Definitive Diagnosis (A)

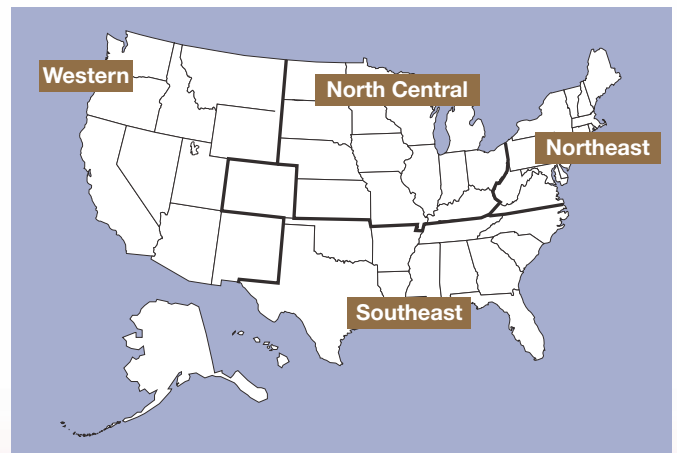

Daniel J. Kowal, MD

This session will follow complex and common case studies through presentation, evaluation and diagnosis.

4:30 pm – 5:30 pm Regional Meetings

Take this opportunity to meet your Regional Director and other members in your Region, and to hear new information regarding your Region. Open to all SUNA members.

- 171 Northeast
- 172 North Central
- 173 Southeast
- 174 Western

Special Interest Area

APN = Advanced Practice	OFC = Office
EOC = ESWL/OR/Cysto	OPT = Outpatient
GEN = General	PEDS = Pediatrics
INPT = Inpatient	UD = Urodynamics

Annual Conference

5:30 pm – 7:30 pm

Grand Opening of Exhibits

Visit the exhibit hall and be prepared for a real treat. The “latest and the greatest” in urology products and services are on display from the leading vendors in the marketplace. More than 75 exhibitors will be in SUNA’s exhibit hall, eager to speak with you about your patient’s needs and your professional responsibilities. You’ll learn about new products, services, and procedures. Plus, it’s fun! Enjoy complimentary beverages and light hors d’oeuvres. Posters will also be on display during this time.

8:00 pm – 11:00 pm

180 SUNA Party / Silent Auction

Networking is a very important part of the SUNA Annual Conference, and what better way to “meet and greet” your friends and colleagues than with refreshments, music, and dancing. Enjoy complimentary hors d’oeuvres and soft drinks. To add to the fun, the SUNA Foundation Silent Auction will take place during the SUNA Party. Come prepared to bid on the many exciting items donated by individuals, chapters, corporate members, and exhibitors. Items will be on display and “winners” will be announced during the party.

Sunday, November 4

6:30 am – 5:00 pm

Registration

7:00 am – 8:15 am

201 Corporate Breakfast Symposium

Pending corporate support

8:30 am – 9:30 am

210 GENERAL SESSION

AUA /SUNA White Paper on the Incidence, Prevention and Treatment of Complications Related to Prostate Needle Biopsy

Victor P. Senese, BSN, RN, CURN

The AUA/SUNA White Paper on Prostate Biopsy is a collaborative work between the AUA and SUNA looking at the complications arising from prostate biopsy. It is an evidence-based paper designed to create a best practice model for medical professionals to reduce the complications associated with prostate biopsy.

9:30 am – 11:00 am

Exhibits Open/Coffee Break/Posters on Display

11:00 am – 12:00 nn

220 GENERAL SESSION

Sexual Dysfunction: A Frank Discussion

Maureen Whelihan, MD

This lecture will provide a review of the causes of sexual dysfunction, especially hypoactive sexual desire disorder. We will review the workup and medical therapies as well as behavioral therapy and bibliotherapies available. A frank, funny and informative discussion.

12:00 nn – 1:30 pm

230 Awards Luncheon/Business Meeting

You are cordially invited to join your peers in honoring SUNA members who have made professional contributions through various SUNA sponsored activities, and the many industry sponsors who have so generously contributed to SUNA activities and events throughout the year. A brief Annual Business Meeting will be held in conjunction with the Awards Luncheon.

1:45 pm – 2:45 pm ★ CONCURRENT SESSIONS

EOC/OFC/OPT/PED/UD

241 Calming the Raging Beast!!! Management of the Hostile Bladder (B/I)

Shelly J. King, CPNP

This lecture will look at hostile bladder parameters in pediatric patients and management of the patient including appropriate evaluation and treatment strategies.

GEN/INPT

242 CAUTIs and Evidence-based Urology Nursing Practice (B)

Diane K. Newman, DNP FAAN BCB-PMO

Catheter-associated urinary tract infections (CAUTIs) are a major cause of patient mortality and morbidity, and no longer reimbursable events for hospitals. Evidence-based research notes these infections are one of the preventable patient safety issues in the acute care setting. Nurses play a central role in providing indwelling “Foley” catheter care. Current nursing practices and evidence-based guidelines will be presented.

UD

243 Urodynamics is Like a Box of Chocolates – You Never Know What You Will Get (A)

Cheryl LeCroy, MSN, RN

Betsy Omeis, BSN, RN

Urodynamics are much more than a set of tests and sitting in front of the computer. They are an integral part of the puzzle that helps to identify the underlying problem with voiding dysfunction. From patient assessment and urodynamic testing, individualized treatment plans can be made for the patient. Complex urodynamic case studies will be presented incorporating history and physical findings as well as the urodynamic testing for both women and men. From there, treatment options will be discussed. Come join this interactive session!

APN

244 Advanced Pharmacology: Prostate Medications and Androgen Deprivation Therapy (A)

Mikel Gray, PhD, CUNP, CCCN, FAANP, FAAN

This lecture will review pharmacotherapy for patients with prevalent prostate disorders and associated lower urinary tract symptoms including benign prostatic enlargement, bacterial prostatitis, male pelvic pain syndrome, and prostate cancer.

Annual Conference

2:45 pm – 3:45 pm

Exhibits Open/Refreshment Break/Posters on Display

3:45 pm – 4:45 pm ★ CONCURRENT SESSIONS

EOC/INPT/OFC/OPT

251 The Perils of Urologic Prosthetics (I)

Lee Ann Boyd, MSN, ARNP-C, CUNP

Prosthetics in urology have been an integral part of treatment for erectile dysfunction and urinary incontinence for decades both in the US and abroad. Practical suggestions for patient selection for urologic prosthetic surgery will be discussed. Identifying and treating common problems associated with urologic prosthetics, such as infection, erosion, auto inflation, deactivation, and detecting reservoir leaks will be presented. Case studies will also be included. Models will be available for hands-on manipulation. Register early! This session will be limited to 30 participants.

EOC/OFC/INPT

252 Robotic Cystectomy: Implications for Nursing Care (B)

Mari K. Olsen, BSN, RN, CURN

Suzanne M. Leckness, BSN, RN

In this presentation, we will discuss common complications for the urologic patient undergoing robotic radical cystectomy surgery. An overview of the robotic cystectomy procedure will assist in identifying how it may affect the patient post-operative course (creation of ileal conduit vs neobladder). Furthermore, we will examine how laboratory results, nursing assessments and co-morbidities may affect the plan of care. Patient education for dismissing this patient population will also be discussed (complications, catheter care and use, irrigation, stoma care, follow-up).

GEN

253 An Innovative Healthcare Delivery Model for Urologic or Pelvic Pain Conditions (B)

Donna J. Carrico, WHNP, MS

Michelle A. Schaffrath, MSN, BSN, RN, BSW

This presentation will discuss the development and implementation of an innovative, intensive multidisciplinary 5 day program of care for women with urologic/pelvic pain conditions. Staffing concerns, content areas, billing issues, and dietary concerns and evaluations will be addressed.

APN

254 Advanced Urodynamics Interpretation (A)

Mikel Gray, PhD, CUNP, CCCN, FAANP, FAAN

Shelly King, MSN, CPNP

This lecture will focus on advanced concepts related to interpretation of complex multichannel urodynamic testing including pressure flow nomograms, calculation of bladder wall compliance, and assessment of urethral sphincter incompetence.

4:45 pm – 5:45 pm

Special Interest Group Meetings

These sessions are open to all who attend the conference. The following groups will meet informally to discuss issues of common interest.

261 Continence Specialists and Services

262 Extracorporeal Shock Wave
Lithotripsy/OR/Cystoscopy

263 Sacral Nerve Stimulation

264 Long Term Care

Monday, November 5

10:30 am – 11:30 am ★ CONCURRENT SESSIONS

GEN

331 Urologic Management of Small Renal Tumors (B)

Vitaly Margulis, MD

In the era of increased indiscriminate imaging, there is also an increased incidence in diagnosis of a small renal mass. This presentation will focus on diagnosis, staging, natural history, and new treatment modalities available. New data will be presented on the importance of preservation of maximal renal function and utilization of kidney sparing treatment strategies to achieve this goal.

GEN

332 Urological Care for Multiple Sclerosis Patients (B)

Leanne Schimke, MSN, NP-C, CRNP, CUNP

This session will provide an overview of Multiple Sclerosis and current treatments, and then focus mainly on ongoing urological care, evaluation, and treatment options.

OFC/OPT/UD

333 Who Says Women Can't Be Obstructed? (I)

Cheryl LeCroy, MSN, RN

Bladder outlet obstruction (BOO) in women is considered to be relatively uncommon. However, the actual incidence may be underestimated due to the wide spectrum of obstruction and its symptoms. It can represent an anatomic or functional disorder and can run the entire spectrum of symptoms. Because there are no accepted nomograms for obstruction in women, and there remains a misconception that women cannot be obstructed by many, an accurate diagnosis can be a challenge. This presentation will discuss the assessment and diagnosis of women with BOO. Urodynamic findings in these women and different treatment options will be discussed.

APN

334 Advanced Update on Menopause (A)

Amy Hull, MSN, WHNP-BC

This advanced practice session will focus on discussion of current hormone replacement therapies, both FDA approved formulations as well as compounded, "bioidentical" preparations and non-hormonal options for symptom control. A review of the WHI as well as current research on HRT will be presented with discussion of risks and benefits of HRT.

11:35 am – 12:35 pm ★ CONCURRENT SESSIONS

PED

341 Just How Are We Supposed to Treat Vesicoureteral Reflux in Children Now? (I)

Valre W. Welch, MSN, RN, CPNP

Shelly King, MSN, CPNP

Recently there have been recommendations from many different groups - the AAP, AUA, RIVUR study, and the AAP Section of Urology on evaluation and treatment guidelines. Many of these contradict each other. Does evaluation start at the top down or bottom up? Do we use prophylactic antibiotics? Are they useful? A point-counter point discussion of these controversies/recommendations will be presented. Bring your questions and experiences to share in an open discussion.

INPT/OPT

342 Hold it Up Sister: A Workshop on the Basics of Fitting Pessaries (B/I)

Shanna Atnip, MSN, WHNP-BC

Peggy Francis, DNP, RN, FNP, CUNP

Gwen Hooper, APRN, CUNP

This workshop will include a lecture and hands-on instructional session on the basics of pessaries, with the goal of developing attendees' confidence in pessary fitting and pessary care. Included will be the evaluation of patients with pelvic organ prolapse and hands-on experience in fitting the most common pessaries. Register early! This session will be limited to 30 participants.

EOC/OFC/OPT

343 Intravesical Therapy for Bladder Cancer (B)

Leanne Schimke, MSN, NP-C, CRNP, CUNP

This presentation will describe bladder cancer, surgery, and follow-up treatments. It will focus on BCG, but will include other intravesical therapeutic agents, their handling, use, results and patient education.

APN

344 Advanced Metabolic/Kidney Stone Evaluation and Management (A)

Brian Matlaga, MD, MPH

Our discussion will review the metabolic evaluation of stone formers with the use of specific blood and urine tests. We will then advance our discussion with a review of the medical management of stone formers providing both general recommendations as well as reviewing focused therapies for specific metabolic abnormalities and medical conditions. Finally, we will reference specific clinical approaches for the medical management of stone disease.

Special Interest Area

APN = Advanced Practice	OFC = Office
EOC = ESWL/OR/Cysto	OPT = Outpatient
GEN = General	PEDS = Pediatrics
INPT = Inpatient	UD = Urodynamics

Silent Auction

November 3, 2012 • 8:00 pm – 11:00 pm
(during the SUNA Party)

Marriott Wardman Park, Washington, DC

To further its commitment to excellence in urologic clinical practice and research, the Society of Urologic Nurses and Associates formed the SUNA Foundation. The Foundation funds research projects related to urologic disease or treatment and award scholarships for advanced education or specialized training for SUNA members. As SUNA members explore new research ideas, further their nursing education, and advance urologic care and treatment, patients will ultimately benefit from this expanded knowledge and expertise.

Support for the Foundation comes from corporations, SUNA chapters and members, and those interested in urologic health care. The Foundation is pleased to offer the sixth fundraising Silent Auction at this Annual Conference.

You can help by donating items for the auction and by coming to the conference prepared to bid. Many types of items will be accepted for donation including gift baskets, handcrafted items, medical publications, jewelry, and gift certificates, to name a few.

Come prepared to bid and help promote continued excellence in urologic nursing!

A list of items to be auctioned will be available at www.suna.org / Events / Silent Auction. Cash, check, or credit card (VISA, MasterCard, or American Express) will be accepted for winning bids. Your donation is tax deductible. Items can be shipped through the hotel's business center at your expense.

To donate items, download the donation form at www.suna.org / Foundation, or contact the SUNA National Office at 888-TAP-SUNA or email suna@ajj.com
