PARENTAL CONSENT FORM

Dear Parent/Guardian,

The East Palestine Elementary School strives to keep the public informed of news and events within the district, and to recognize students for their achievement. The purpose of this form is to ask your permission to allow for the posting of student pictures and their work in district/school newsletters and on its websites.

As you consider this, it is important to understand that:

- Publishing and presenting a student's picture or work is done to recognize exemplary effort and/or involvement in a school activity.
- The district's website is accessible to all who have internet access, and for this reason no personal information (student names, addresses, telephone numbers, email addresses, locations or times of class trips) will appear with any work or picture posted on the web.
- This information may also be presented to a variety of groups such as community and educational organizations, when deemed appropriate by the school.

Check one of the following.
