SEMINAR 2009

Welcome to the GSQA Seminar! We are glad you are here!! I am sure that you will have a lot of fun and learn many new quilting tips and techniques during this year's Seminar. There are classes for every taste and level of experience. Please take time to read each class description, even if the class title doesn't "grab" you. You may be surprised to find out what the class will cover. We have listed the teacher's website addresses for those teachers who have websites in the teacher biography section. You can use these websites to see pictures and maybe get more information that will help you decide which classes to take. **PLEASE** give the committee a first, second and third choice of classes for each day. You know that any class offered during Seminar is a winner!

The registration deadline is January 17, 2009. Please be sure to send a self-addressed, stamped business size envelope along with your registration form and check to the address on the registration form. Make the check payable to GSQA.

The deadline for making your hotel reservations is Monday, February 9, 2009.

See you at Seminar,
