

**Inspire Sponsorship** Inspire is an annual summer design camp for high school students and incoming college freshman at Kent State University taught through the School of Visual Communication Design. Our mission is to enrich students through design. Our camp is designed to foster creativity by encouraging students to “spread their wings” in a learning-centered, collaborative and fun environment. Our curriculum covers the following disciplines: print design, three-dimensional design, motion and animation, photography and illustration.

High school students are rarely exposed to the opportunities a design education offers. Your donations will greatly contribute to the growth and success of a summer academic experience in design for youth. Inspire will be held this summer on June 16–21, 2013. Your sponsorship will go towards scholarships, supplies, equipment and facility fees. Sponsors will be listed on our website. *(Check with your tax advisor; your gift may be tax deductible.)* If interested in making a donation online, visit our website **inspirecamp.com** and go to the donate/sponsor page.

Thank you for becoming an Inspire sponsor!

Please direct my gift to support the VCD Inspire Camp (17320)
