Return prices

STANDARD SIZE bikes (less than 2.3 metres long)

\$3185 *Covers most bikes*

Long bikes (over 2.30metres long)

\$3980

PLEASE NOTE: A container is 2.30 metres wide and because we place the bikes across the width, bikes longer than 2.30m attract a higher price. With some long bikes we are able to shorten them by taking out the front wheel, putting the axle back in the forks and loading them the same as the other bikes (with the front axle in a rubber lined steel chock), thus saving you 1000 Beer vouchers. BUT bring your tools and do it yourself, we don't mess with your bike, you do! We will arrange for a forklift to pick up the front of your bike for front wheel removal.

Gold Wings, BMW K1200LTs & other very large bikes **\$5760**

The above prices are valid from 1 May, 2008 and include the return journey

One way prices Standard Size \$2160, Long bikes \$2950

Shipping Insurance. The above prices **INCLUDE SHIPPING INSURANCE.**

***** Conditions apply - see Terms & Conditions *****

Cost includes Container hire, sea freight, Turkish & Australian Customs clearance & Quarantine, Loading and Unloading at both ends, Marine Insurance.

The above prices do NOT include bike transport to Melbourne, Sydney or Brisbane.

The IDP is necessary if you're touring Europe because it's really just a translation of your Aussie licence.
