2015 GALA

ON APRIL 29, 2015 the City on a Hill Foundation will be hosting its 11th Annual Gala at the Renaissance Boston Waterfront Hotel to support the students at City on a Hill Charter Public Schools. This special celebration is an opportunity for City on a Hill staff, students and supporters to gather and recognize the hard work and accomplishments of the past year. The City on a Hill Gala has grown into the schools' principal fundraising event, and is a major contributor to the programs at CoaH that equip students with the tools they need to be successful in college and beyond.

ABOUT CITY ON A HILL

City on a Hill Charter Public Schools is a network of three small, open-admission, tuition-free public high schools that serve urban students across the cities of Boston and New Bedford. Although there are no entrance requirements, students traditionally arrive at City on a Hill significantly behind academically. With daily small-group tutorials, high expectations for all, extended school day, week, and year, City on a Hill students leave prepared for success in college.

RECENT ACCOMPLISHMENTS

In 2014 City on a Hill students showed more growth on the math MCAS than any other stand alone high school in the state. This is the fourth time in six years that City on a Hill ranked #1 in this measure.

In 2013 City on a Hill was nominated by The Boston Foundation for the Pozen Prize, for its academic success, specifically with high-needs populations similar to Boston Public Schools.

In 2012 City on a Hill was one of four schools in Massachusetts recognized by Secretary of Education Arne Duncan as a Blue Ribbon School.

HOW YOU CAN HELP

While City on a Hill is primarily funded by the public dollar, City on a Hill seeks private support for the additional programs necessary for preparing students for college, to support growing schools, and for capital investments. We hope your organization will join others in the effort to sustain these invaluable projects by becoming a sponsor at this year's gala.
