Application for Tenancy

This form must be completed and signed before any application for tenancy can be formally considered.

We charge an 'Application Fee' of £144.00. This fee is to cover the costs of processing your tenancy request and once paid is non-refundable should any of the information provided prove to be false. Each individual tenant must complete an 'Application For Tenancy'. NB: Where a guarantor is required, this may attract an additional charge.

If your application is successful you will have to pay advance rent and a security deposit before the commencement of a tenancy. This deposit will be held by The Deposit Protection Service. The deposit will not be returned until your tenancy is ended, and only then, provided the obligations of your tenancy have been met in full, the final household bills are paid (we may require proof) and the property is returned in a satisfactory condition. NB: Before the deposit is refunded we will also have to consult with the landlord.

Housing Benefit Tenant: You must obtain a housing benefit claim form, which you must bring with you when you sign the tenancy agreement, should your application prove successful. If your rent is to be paid by housing benefit you may require a guarantor. This must be someone who has a full time job, a bank account and is in a position to cover your rent should the council reject your claim or not pay the rent in full.
