Credited Premium means the amount of Premium credited to Agent for determining Agent's Commissions, calculated as a percentage of Premium (by multiplying the Premium Percentage by Premium).

Premium means the money paid in cash to, and accepted by, AHL for the Policy during a Policy Month, excluding any retrospective premium payments or similar payments made by the Policyholder in addition to the regular monthly premiums.

Month means the time from the start of a numbered calendar day of a calendar month to, but not including, the earlier of the same numbered day or the last day of the next calendar month.

This Agreement will not apply to premiums for additional coverages occurring after the Effective Date of this Agreement, if another agent is designated by the Policyholder or determined by AHL to be entitled to commissions payable on such premiums.

AHL, in its sole discretion, may terminate this Agreement and discontinue further payment of all Commissions if: (a) Agent is not recognized by the Policyholder as Agent of Record with respect to the Policy; or (b) Agent fails to render to the satisfaction of AHL any reasonable service required by AHL in connection with the Policy, in accordance with its usual and customary practices. This Agreement will automatically terminate: (a) on the date of termination of any Policy stated above; or (b) on the date AHL terminates, in its sole discretion, Agent's appointment with AHL in the state having jurisdiction over the Policy; or (c) in the event of Agent's death. Except when automatic, termination will be by written notice personally delivered or mailed to the last known address of Agent.

AHL will have a first lien against all Commissions to secure any existing or future indebtedness of Agent to AHL. Commissions are hereby assigned to AHL and it is authorized to apply Commissions, accrued or to accrue, to the payment of any debt of any nature, however arising, now due or to become due.

No assignment, transfer or disposal of any interest under this Agreement will be made at any time without the written approval of AHL. AHL will not be responsible for any agreements made, any forfeitures waived, or obligations or liabilities incurred by Agent. This Agreement will not create an employer-employee relationship.
