FATHER/DAUGHTER INFORMATION SHEET

This evening will be a chance for our daughters to dress up and be treated to a special night out by their dads. It is a formal event and daughters are expected to wear long formal dresses and dads are expected to wear suits and ties.

I am asking all dads to please write a short letter to their daughter and put it in a sealed envelope with their daughters name on it and mail it to me with their registration form. These letters will be presented to the girls at the end of the evening as a reminder of this special day. The letters will not be read to others. The letter can be a note of encouragement, a letter stating the growth you've witnessed in your daughter, your desires for her future, or whatever you as a dad would like to share with her. If there is no father in your family another male adult (18 years or older) may escort your daughter for the evening. I would ask that either the escort or mom then write the letter.

I would also like 5 to 10 pictures of your daughter "growing up" to put into a power point presentation to shown during the evening. Please label all pictures and mail them to me with the registration form. These will be returned the night of the formal.

The event costs \$30.00 for each "couple". If you have more than one daughter please add \$15.00 more per daughter. Please make a check out to Tracy Gappa and mail it with your registration form. The cost of the evening includes the site rental, punch, a catered dinner, dessert, a DVD of the power point and a CD of additional pictures from the evening (this will be mailed to each daughter about one week after the event). The formal is planned as follows

Arrival: Socializing and Punch 5:45 pm

Dinner 6:00 pm

Power Point Presentation

Small Program

Dessert

Father/Daughter Photo's Taken

Socializing and an opportunity to dance a waltz or two with your daughter

I will be looking for a few younger daughters to help serve the night of the formal. If you have an 11 – 13 year old who would be interested in doing this please make note of it on the registration sheet. You will be contacted if your services are needed.

My hope is that this event will be well received and will become something we hold every other year giving all of our girls a chance to participate. If you have any questions please feel free to call (920-346-2166) or email (tracyg@yahoo.com) me.

Hope to see you all there,
