

ANNUAL STATEMENT OF PRODUCTION (Form 10)

Instructions:

1. Submit one form for each well producing or capable of producing oil or gas.
2. Complete all blanks in each section. Incomplete forms will be returned for completion.
3. Companies with more than 100 wells are required to submit electronically. Please call the Division at (614) 265-6922 for further information.
4. In case of a common tank battery or meter for several wells, divide total production by the number of wells and complete individual forms. However, report the entire tank battery (tanks and maximum storage capacity) for each well. Report all quantities in barrels.
