Teen Read Week
Library Challenge!

This year, teens (ages 12—18) have the opportunity to win an mp3 player if they complete the scavenger hunt questions on this form. All answers can be found on the Jacksonville Public Library website (jaxpubliclibrary.org) or find the books on the shelves if you're feeling lucky. Search the catalog and databases for the answers and turn them in at any Jacksonville Public Library. Only forms filled out entirely with the correct answers will be entered in the drawing. One entry per person please.

If you're having trouble, ask a librarian at your local library or
