WHY?

ANSWER: We are responsible for protecting your neighbor's lot line, we want you to be well informed of what is possible before you spend time and money, and we will let you know when a project will require a Lee County Permit. We look for 48" clear to any Lake Bank and 48" between any two objects for lawn mowers.

VISITORS

Please register all visitors at the Resort Office and review rules with all guests and children's rules with all visitors under age 18. Obtain IDs and Car Passes as needed.

GOLF CARTS

Golf Carts may only be driven by licensed drivers. No Children.

Also, do not drive golf carts off the property. The sheriff's office may give you a fine if you are on a sidewalk, road or at the shopping center in a golf cart.

POOL & SPA

IDs are to be worn to the pool, spa and fitness center. No alcohol, food, or glasses please.

SELLING YOUR HOME?

WE WILL HELP IN ANY WAY WE CAN, HOWEVER.....

BEFORE A TITLE IS TRANSFERRED TO A BUYER, THE PROSPECTIVE BUYER MUST APPLY AT THE RESORT OFFICE AND BE APPROVED. OUR APPLICATION PROCESS INCLUDES A CREDIT CHECK AND CRIMINAL CHECK. THESE REPORTS MUST BE APPROVED BEFORE THE TITLE CAN BE TRANSFERRED. NO ONE CAN MOVE INTO A HOME BEFORE THIS IS COMPLETE. ALL HOME OWNERS ARE REQUIRED TO TURN IN A RESALE APPLICATION FOR INSPECTION OF THE HOME BEFORE SOLD.

SATELLITE DISH OWNERS

All Satellite Dish Installations require prior approval by the Resort Office. Please stop by the office to pick up an application. We will approve all dish installation requests within three business days.

Step 1: Pick up an application

Step 2: Meet with the Dish Company so they can show you the best place for the dish.

Step 3: Turn the application into the Resort Office.

Step 4: We will approve the application within 72 business hours and you can make your appointment for installation.

All satellite dishes must be within a border to protect the dish from the mowers and to improve the appearance of the dish. Landscaping of the area is desired. Why is this necessary?

Answer: Lot Lines.....Many residents have installed dishes in neighbors' yards. We need approval so we can confirm your lot line. Most homes on RV lots only have One Foot easement on the water/sewer hookup side; this is why we need to see where you want the dish.

ELECTRICAL, WATER OR SEWER

Please report any problems to the Resort Office before you call a repair service. Maintenance needs to check our side of the service to your home. We do not make indoor repairs, but we can be sure our outside connections are working properly. Indian Creek will not pay bills incurred by a repairman.

REFER TO THE COMMUNITY RULES AND REGULATIONS FOR DETAILS

The Manager Is In...

The Resort Manager, Kathy Clapgood, will be available for questions, complaints, compliments, ideas, etc. No speech, no meeting, just one on one time with any resident that wants to join me. I will be set up at a table and take one resident at a time to discuss any concerns.

VETERANS THANKS

The Veterans Day Committee wants to say a heartfelt thank you to everyone involved with the wonderful ceremonies on Veterans Day. It was a most meaningful tribute to all our Veterans — those still with us and those we have lost — and their families (and in an extra special way) for our WWII Veterans and their loved ones. Thank you all for making it such a special day
☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆

THANK YOU

We would like to thank those in charge of the Veterans Day Program. My Husband is a WWII Veteran and we have lived in Indian Creek for more than 30 years. It is the first Veterans program we remember. It was very emotional and well done.

Indian Creek "gooses" competition in Jug Boat Race debut
 On Saturday Nov 5, Bowditch Park held the 1st Annual "Jug Boat Race" for fun to benefit Wake Up America food bank.

Indian Creek Residents Captain Marty Boss, Richard Turner, John Cotilli, Bill Vail and Siesta Bay resident Mike Turner built the winning jugboat "The Tropical Goose" from a lawn chair, palm fronds and many milk jugs.

The Tropical Goose took 1st place in both "Fastest Boat" and "Best in Show" Categories. The boat and crew will also appear at ICP's Mardi Gras Parade.

Indian Creek was represented by 2 boats – Tropical Goose and Hooters. We hope for more for next years' event.

Congratulations to the hard working crews and for all the residents who turned out to cheer them on.
