

INTEGRATED WATER RESOURCES & MUNICIPAL PERMITTING WORKSHOP

This workshop is sponsored by the Venango Conservation District, Venango County Regional Planning Commission, PennDOT, Northwest Regional Planning Commission, and the Pennsylvania Department of Environmental Protection

This workshop will showcase the process for permitting a vacant lot prior to construction activities. We will look at requirements for lot subdivision, Highway Occupancy Permitting (HOP), sewage regulations and other permits needed prior to the issuance of a building permit. The workshop will also cover Act 167 stormwater requirements such as a small project stormwater application, General Permits for impacts to wetlands and waterways, Erosion & Sedimentation Control plans, and NPDES (National Pollution Discharge Elimination System) Permits for stormwater discharges associated with construction activities.

When

April 10 2015

Sign in starts at 8:30 am.

Workshop runs from

9:00 am till 3:00 pm

Where

Venango College of Clarion University, Rhoades Auditorium

1801 West First Street

Oil City, PA 16301

Lunch will be provided on site
