## **Additional Training Information**

Our technical training sessions are designed to teach participants the access control concepts and product information they require to do their job right the first time. We also teach participants how to find the correct information while on-the-job and how efficiently troubleshoot their Kantech systems.

### **Registration**

Courses are filled on a first come first serve basis. To secure your spot, please complete the registration form and email to [jerry@svcmarketinginc.com](mailto:jerry@svcmarketinginc.com). Participants should visit the following site <http://kantech.no-ip.com> and review the Access Control Overview Section.

Once the completed registration form is received, you will be sent a confirmation notice. We will notify you at this time if the seminar is already filled. Your name will then be placed on the waiting list for the next available course.

### **Payment and Cancellations Policy**

Tuition fees are due within five days of your registration confirmation. Your place will be forfeited if payment is not received. Cancellations are subject to the entire tuition fee and may be applied to future seminars.
