2014 Calendar Bulk Order Form

Support the Canadian Down Syndrome Society with our annual calendar. Full of the smiling faces of some of our members, this calendar is ideal for home, work, and as a thoughtful holiday gift. The calendar includes 14 months (November/December 2013 and 2014), and inspirational quotes from exceptional Canadian self-advocates. The calendar measures 11x8.5 when closed, making it easy to mail and distribute. All proceeds from the sale of the calendar go to providing information, advocacy and education about Down syndrome to all Canadians.

For affiliates and local groups we offer discounts on the calendars in hopes that you can sell the calendars for full price and use them as a method of fundraising.
