11 LEGISLATURE FINDS AND DECLARES ITS INTENT THAT THE CONSTITUTIONAL AND  
12 STATUTORY REQUIREMENTS FOR THE REFERENDUM BE STRICTLY CONSTRUED AND THAT  
13 PERSONS USING THE REFERENDUM PROCESS STRICTLY COMPLY WITH THOSE

19-118. Registered circulators; requirements; definition

A. All circulators who are not residents of this state and, for  
statewide ballot measures only, all paid circulators must register as  
circulators with the secretary of state before circulating petitions pursuant  
to this title. The political committee that is circulating the petition  
shall collect and submit the registrations to the secretary of state. The  
secretary of state shall establish in the instructions and procedures manual  
issued pursuant to section 16-452 a procedure for registering circulators and  
shall publish on a website maintained by the secretary of state all  
information regarding circulators that is required pursuant to this section.  
~~For statewide ballot measures only,~~ The secretary of state shall disqualify  
all signatures collected by a circulator who fails to register pursuant to  
this subsection as provided for in section 19-121.01, subsection A.

B. The registration required by subsection A of this section shall  
include the following provisions:

1. The circulator consents to the jurisdiction of the courts of this  
state in resolving any disputes concerning the circulation of petitions by  
that circulator.

2. The circulator shall designate an address in this state at which  
the circulator will accept service of process related to disputes concerning  
circulation of that circulator's petitions. Service of process is effected  
under this section by delivering a copy of the subpoena to that person  
individually or by leaving a copy of the subpoena at the address designated  
by the circulator with a person of suitable age.

1 C. If a registered circulator is properly served with a subpoena to  
2 provide evidence in an action regarding circulation of petitions and fails to  
3 appear or produce documents as provided for in the subpoena, all signatures  
4 collected by that circulator are deemed invalid. The party serving the  
5 subpoena may request an order from the court directing the secretary of state  
6 to remove any signatures collected by the circulator as provided for in  
7 section 19-121.01, subsection A.

8 D. Any person may challenge the lawful registration of circulators in  
9 the superior court of the county in which the circulator is registered. A  
10 challenge may not be commenced more than five days after the date on which  
11 the petitions for which the circulator is required to be registered are filed  
12 with the secretary of state. The person challenging signatures may amend  
13 that complaint after the secretary of state has removed signatures and  
14 signature sheets as prescribed in section 19-121.01. An action pursuant to  
15 this section shall be advanced on the calendar and decided by the court as  
16 soon as possible. Either party may appeal to the supreme court within five  
17 calendar days after entry of judgment. The prevailing party in an action to  
18 challenge the registration of a circulator under this section is entitled to  
19 reasonable attorney fees.

20 E. The removal or disqualification of any one or more circulators does  
21 not invalidate the random sample of signatures made pursuant to section  
22 19-121.01, and the secretary of state shall not be required to conduct any  
23 additional random sampling of signatures.

24 ~~F. Notwithstanding section 19-141, this section does not apply to~~  
25 ~~filing officers for counties, cities and towns and paid circulators for~~

33 number of petitions circulated that contain signatures.

34 2. Does not include a paid employee of any political committee  
35 organized pursuant to title 16, chapter 6, unless that employee's primary

16 sections for convenience in handling. Not more than fifteen signatures on  
17 one sheet shall be counted. FOR PETITIONS FILED REGARDING CITY, TOWN OR

23           D. Initiative petitions ~~which~~ THAT have not been filed with the  
24 secretary of state as of 5:00 p.m. on the day required by the constitution  
25 ~~prior to~~ BEFORE the ensuing general election after their issuance shall be

8 issuance of the receipt, the secretary of state shall:

9           1. Remove the following:

19 expired or the notary's seal is not affixed.

20          (f) Those sheets on which the signatures of the circulator or the  
21 notary are dated earlier than the dates on which the electors signed the face  
22 of the petition sheet.

23          (g) Those sheets that are circulated by a circulator who is prohibited  
24 from participating in any election, initiative, referendum or recall campaign  
25 pursuant to section 19-119.01.

29 THE PETITIONS WERE CIRCULATED.

30          2. After completing the steps in paragraph 1 of this subsection,  
31 review each sheet to determine the county of the majority of the signers and  
32 shall:

33          (a) Place a three or four letter abbreviation designating that county  
34 in the upper right-hand corner of the face of the petition.

35          (b) Remove all signatures of those not in the county of the majority  
36 on each sheet by marking an "SS" in red ink in the margin to the right of the  
37 signature line.

38          (c) Cause all signature sheets to be grouped together by county of  
39 registration of the majority of those signing and attach them to one or more  
40 copies of the title and text of the measure. If the sheets are too bulky for  
41 convenient grouping by the secretary of state in one volume by county, they  
42 may be bound in two or more volumes with those in each volume attached to a  
43 single printed copy of the measure. The remaining detached copies of the  
44 title and text of the measure shall be delivered to the applicant.

1           3. After completing the steps in paragraph 2 of this subsection,  
2 remove the following signatures that are not eligible for verification by  
3 marking an "SS" in red ink in the margin to the right of the signature line:

4           (a) If the signature of the qualified elector is missing.

5           (b) If the residence address or the description of residence location  
6 is missing.

7           (c) If the date on which the petitioner signed is missing, IF THE DATE  
8 ON WHICH THE PETITIONER SIGNED THE PETITION IS BEFORE THE DATE THAT THE  
9 STATEMENT OF ORGANIZATION WAS FILED FOR THE POLITICAL COMMITTEE THAT IS

11 PETITION IS AFTER THE DATE ON WHICH THE AFFIDAVIT WAS COMPLETED BY THE  
12 CIRCULATOR AND NOTARIZED.

13           (d) Signatures in excess of the fifteen signatures permitted per  
14 petition.

15           (e) Signatures withdrawn pursuant to section 19-113.

17 petition circulator has printed the elector's first and last names or other  
18 information in violation of section 19-112.

19           4. After the removal of petition sheets and signatures, count the  
20 number of signatures for verification on the remaining petition sheets and  
21 note that number in the upper right-hand corner of the face of each petition  
22 sheet immediately above the county designation.

23           5. Number the remaining petition sheets that were not previously  
24 removed and that contain signatures eligible for verification in consecutive  
25 order on the front side of each petition sheet in the upper left-hand corner.

26           6. Count all remaining petition sheets and signatures not previously  
27 removed and issue a receipt to the applicant of this total number eligible  
28 for verification.

29           B. If the total number of signatures for verification as determined  
30 pursuant to subsection A, paragraph 6 of this section equals or exceeds the  
31 constitutional minimum, the secretary of state, during the same twenty day  
32 period provided in subsection A of this section, shall select, at random,  
33 five ~~per-cent~~ PERCENT of the total signatures eligible for verification by  
34 the county recorders of the counties in which the persons signing the  
35 petition claim to be qualified electors. The random sample of signatures to  
36 be verified shall be drawn in such a manner that every signature eligible for  
37 verification has an equal chance of being included in the sample. The random  
38 sample produced shall identify each signature selected by petition page and  
39 line number. The signatures selected shall be marked according to the  
40 following procedure:

41           1. Using red ink, mark the selected signature by circling the line  
42 number and drawing a line from the base of the circle extending into the left  
43 margin.

44           2. If a signature line selected for the random sample is found to be  
45 blank or was removed from the verification process pursuant to subsection A

of this section and is marked with an "SS", then the next line down, even if that requires going to the next petition sheet in sequence, on which an eligible signature appears shall be selected as a substitute if that line has not already been selected for the random sample. If the next eligible line is already being used in the random sample, the secretary of state shall proceed back up the page from the signature line originally selected for the random sample to the next previous signature line eligible for verification. If that line is already being used in the random sample, the secretary of state shall continue moving down the page or to the next page from the line originally selected for the random sample and shall select the next eligible signature as its substitute for the random sample. The secretary of state shall use this process of alternately moving forward and backward until a signature eligible for verification and not already included in the random sample can be selected and substituted.

C. After the selection of the random sample and the marking of the signatures selected on the original petition sheets pursuant to subsection B of this section, the secretary of state shall reproduce a facsimile of the front of each signature sheet on which a signature included in the random sample appears. The secretary of state shall clearly identify those signatures marked for verification by color highlighting or other similar method and shall transmit by personal delivery or certified mail to each county recorder a facsimile sheet of each signature sheet on which a signature appears of any individual who claims to be a qualified elector of that county and whose signature was selected for verification as part of the random sample.

D. THE SECRETARY OF STATE SHALL PRESUME THAT THE DATE NOTED ON THE PETITION FOR A PETITIONER'S SIGNATURE IS THE DATE ON WHICH THE PETITIONER SIGNED THE PETITION, AND ANY PERSON SEEKING TO ESTABLISH A DIFFERENT DATE FOR THE SIGNATURE BEARS THE BURDEN OF PROOF IN OVERCOMING THE PRESUMPTION.

~~D.~~ E. The secretary of state shall retain in custody all signature sheets removed pursuant to this section except as otherwise prescribed in this title.

Sec. 6. Section 19-121.02, Arizona Revised Statutes, is amended to read:

19 section, the county recorder shall certify to the secretary of state the
