The National Philanthropy Day Awards Program

2012

The Association of Fundraising Professionals – Greater Philadelphia Chapter annual awards program recognizes outstanding achievement by individuals, foundations and corporations, new generation philanthropists, lifetime achievement philanthropists, fundraising volunteers, youth philanthropists and professional fundraisers.

In professional fundraising, such individuals and organizations form vital partnerships with charities and the nonprofit sector to ensure that the needs of all citizens are met. It is proper, therefore, that the Association of Fundraising Professionals – Greater Philadelphia Chapter (AFP-GPC) honors those who hold high ethical standards and best exemplify commitment and dedication toward helping society.

These awards are given in recognition to those individuals and organizations whose life-time or long term achievements have made a significant impact upon society.

Selection Process

Completeness of information is essential for consideration. Winners will be selected by a blue ribbon panel of judges comprised of previous National Philanthropy Day (NPD) award recipients and leaders from the non-profit sector. If, in the judgment of the committee, no nominations or candidates in a particular category meet the criteria, no award will be given in that category. All categories will be awarded having met the association's selection criteria and historical high standards of achievement.

Presentation of Awards

The awardees selected will receive their awards during the Philanthropy Day Luncheon on November 14, 2012 at Loews Philadelphia Hotel. Awardees will be notified of their selection in early June. Awardees must be present to receive the awards.

Nomination Process

To nominate an individual, group or corporation for one or more NPD awards, simply follow the instructions below:
