

SERVING THOSE WHO SERVE

A Two-Part Training for Health Providers and Mental Health Professionals on Military Culture and Behavioral & Health Issues of Veterans, Service Members, and Their Families

May 29, 2013
NH Fire Academy
98 Smoky Bear Blvd, Concord

June 7, 2013
White Mountains
Community College
2020 Riverside Drive, Berlin

Learning Objectives

Morning Session:

- Explain the importance of knowing about military culture and the military hierarchy
- Discuss the extent of mental health issues in service members returning from combat
- Describe resources for service members and their families
- List the reasons for asking patients about their military service or the military service of close family members

Afternoon Session:

- Discuss the extent of mental health issues in service members returning from combat
- Explain diagnosis and treatment options for PTSD and TBI
- Review unique aspects of substance use among service members

Target Audience

Mental and behavioral health providers, physicians, physician assistants, nurses, nurse practitioners, nursing assistants, medical assistants, case workers, and others interested in military culture and behavioral health issues of veterans, service members and their families

Faculty

Faculty members will include service members of the New Hampshire National Guard, behavioral health experts, and professionals who work with service members, veterans, and their families. For specific faculty information, visit www.snhahec.org

Serving Those Who Serve is a training designed to help health and mental health providers understand the behavioral and mental health issues of veterans, service members, and their families. Split into two parts, this training includes an overview of military culture as well as resources for referral, clinical presentation, and treatment modalities for Traumatic Brain Injury (TBI), Post Traumatic Stress Disorder (PTSD), and substance abuse among service members. Attendees are welcome to attend both sessions in an all-day workshop, or attend the morning or afternoon session only.
