

ASTON LANGUAGE CENTRE

Teaching English at Chinese universities through out China

Job Title: Full Academic Year English Teacher

Why not boost your CV by teaching in China? This 10 month placement offers a stimulating and rewarding experience for graduates who prefer the specific challenges of teaching older students.

Since 2002 Aston Language Centre has helped students and graduates find teaching positions at universities throughout China. Every year we send native English speakers to teach English at Chinese universities.

This placement is ideal for those considering a career in teaching, interested in learning Chinese language or interested in Chinese culture.

Main Duties and Responsibilities:

1. Teaching conversational English and writing, including marking written work.
2. Participating in regular English Corners (more informal classes), where students practice their conversation skills.
3. Regular meetings with Head of department.

Dates and Hours of Employment:

- 10 month contract beginning from 01 September 2011, or from 01 March 2012.
- 14 to 18 teaching lessons per week, each lesson 45 or 50 mins.
- Internal meetings, proof reading, attending company promotional events and other duties.
- 5 working days per week.

Requirements:

- Native English speaker preferred.
- Teaching experience is an asset, but not essential (training and teaching materials are provided).
- BA Degree or above.
- Must have an easy going personality, be responsible and patient.

Salary:

- 4000-5000 RMB per month (no income tax payable)
- 8000 RMB paid-return flight (approx 800 GBP) at end of contract

Holidays and Benefits:

- 1) Free accommodation (fully furnished, one or two bedroom apartment).

- 2) Paid-for return flight, allowing for expenses of up to 8000 RMB (approx. 800 GBP), reimbursed at end of contract.
- 3) Full salary paid during school holidays (around 6 weeks paid holiday in total).
- 4) Free internet access in the office.
- 5) Orientation and free school day trip.
- 6) Free pick up from airport.
- 7) Bilingual liaison.
- 8) Help and assistance with booking tickets and hotels.
- 9) Gas, electricity and water are included with accommodation, but telephone and internet are paid for by the teachers.
- 10) Work permit provided in China.
