

PERFORMING ARTS - DANCE, CHEERLEADING, AND GYMNASTICS

Group and Individual Competition - **JOBIE WEEKEND 2014**

- This competition is for individuals and/or groups.
- Each Daughter may enter **no more than 2** Performing Arts categories. These may be any combination of individual and/or small group. Bethel entries, where the entire Bethel is competing, will not count as the two categories (a Daughter may enter 2 categories and still be eligible to participate in a category with the entire Bethel).
- The performance must be at least 2 minutes long, but no longer than 5 minutes.
- Taped accompaniments may be used. A piano will be available. Accompanists may be daughters or adults. Accompanists and tape players will not be available so bring your own.
- Costumes will be judged. Remember, you are performing in front of an audience and dress accordingly.
- Each entrant will clearly introduce her performance by giving her name, Bethel No., city and the name of the number being performed. For groups, one person may introduce the name of the number being performed, Bethel No., city and her name. Each individual will then introduce themselves. You will be judged and points will be awarded for this introduction.
- Each entry must complete a separate form. Group entries must have all members of the group listed. If the accompanist is not judged, that name should not be included on the entry form.
- There will be warm-up rooms. Their size and location cannot be guaranteed.
- Audiences will be allowed to watch the competitions. No one will be allowed to leave or enter the room after a performance has started.
- Entries received on or before the deadline (January 31st, 2014) will be rewarded with bonus points. **I will go by the Post Office stamped date.**
- Specific categories and performance times will be assigned before Jobie Weekend. This information will be sent to the Bethel Guardian.
- If you need to cancel or if your performance time conflicts with another of your competitions, please inform the chairman of the competition immediately. It is extremely important that we be informed, as times and categories may need to be reassigned.
- Some of the especially entertaining acts may be asked to perform during the weekend.
- Score sheets will be grouped by Bethel and will be given to the Bethel Guardian after the awards.

GUARDIANS & DAUGHTERS: It is extremely important to honor your commitment to any of the competitions. Many hours of planning go into making the competitions as fun and rewarding as possible. But even one cancellation can throw the planning off. If you find you must cancel, please notify the Chairman ASAP. Schedules will need to be rearranged, ribbons reordered and judges notified. Please consider how you would feel if someone else's cancellation ruined your plans and treat us to the same courtesy you would wish yourself.

If you have any questions, please feel free to call or write/email a note. I will be happy to help in any way I can.
