**Supervisor Instructions for Completing Corrective/Warning Action Form** 

When documenting corrective action it is helpful to use the following steps:

- 1. Facts: List only facts, not opinions. Give concrete examples, when possible, to document the incorrect behavior.
- 2. Objectives: What is the desired outcome? What do u expect You may want to cite a portion of the job description or a policy.
- Solutions: How do you suggest that he/she improves their performance? Does the employee have any suggestions? You may offer additional training review of procedures, etc.
- 4. Action: Tell the employee in writing that he/she is receiving a warning, suspension, etc., and set a date to review his/her progress toward obtaining the goals set.

Please use additional forms if the employee has more than one area that needs improvement. The employee must sign the corrective action Form to acknowledge receipt. If the employee refuses to sign write "REFUSED TO SIGN" and sign your name as a witness. The supervisor will give a copy of the signed document to the employee and the original will be submitted to HR to be placed in the personnel file.
