### Fundraising Challenge To-Do List

Thank you again for participating in SAKT 2014! Proceeds will benefit infants and their families by helping St. Alexis Medical Center's Neonatal Intensive Care Unit (NICU) purchase new technology and upgrade its space into an aesthetically-pleasing environment.

**Create your fundraiser.com fundraising webpage.** Go to <https://www.fundraise.com/activity/st-alexius-medical-center-foundation/sakt2014> and create your fundraiser.com webpage. Email, Facebook and Tweet it out to family and friends, and encourage them to give.

**Share the SAKT 2014 – How Your Donation Helps flier.** Share the flier with potential donors by printing it out or emailing it to them. This way they understand what their donation will do. In addition, do you know someone St. Alexis' NICU has helped? If so, share the story. Your passion of supporting the NICU will inspire people to give!
