

Designed By Jose, local foster youth

## How to Host a Donation Drive

1. Identify the focus of your drive (i.e. age-specific toys, \$10 gift cards, teen prizes, coats, pillows, monetary etc.)
2. Select the start and end dates (final day for Wonderland donations is December 13)
3. Distribute flyers (to be provided to you) at your coworkers, service group members, family, and friends
4. Have a designated area for gift donations to be delivered and list it on your donation drive flyer template
5. Keep track of donations received on the donation form provided by Foster a Dream
6. Once you start receiving donations contact Foster A Dream to schedule your Wonderland Drive delivery
