- Competitor loan amount** – is equal or up to R1000 lower than my Absa loan offer
- Competitor loan number of repayments** – is the same as the Absa loan I've been offered
- Competitor loan term** – is the same period as the Absa loan offer, or no more than 3 (three) months longer
- Competitor loan client name** – the name on the offer is exactly the same as the name on my Absa loan offer, and the competing loan is offered in one name only
- Competitor loan offer date** – the other loan is still available to me at the time I submit this form to Absa
- Competitor loan interest rate** – is lower than my Absa loan offer
- Competitor loan type** – the loan is either a fixed or variable rate, unsecured loan (exclusions include lease, hire purchase, interest-free and student/graduate loans) with even, or nearly even payments (i.e. no 'balloon or residual payments') – see Price Guarantee terms and conditions for further details
- Competitor loan provider** – the loan is not from another company within the Barclays group and is from an authorised South African financial services and registered credit provider.
