**SAIC will issue documentation for a student visa to international students registering for any two-week session (or more) of the ECP Summer Institute. However, not all students need the documentation (called an I-20 form). The most common cases where students do not need an I-20 include the following:

- Are a US citizen or permanent resident;
- Are currently attending a high school within the US and have an I-20 from that school;
- Are visiting the US as a tourist and wish to take only a vocational or recreational course.

To determine if you will need an I-20 form from SAIC to apply for a student visa, please contact SAIC's International Affairs office at intaff@saic.edu or call 312.629.6830 and let the office know you will be attending SAIC as an ECP Summer Institute student. We also recommend that you contact your local US Consulate or Embassy for further advising; see usembassy.state.gov or educationusa.state.gov for more details.

Prospective students and their parents are highly encouraged to consult with the student's health care provider to determine whether the student is capable of handling the rigors of the ECPSI program and/or being away from home for several weeks at a time.

STUDENTS REQUESTING HOUSING:

Student Disclosure of Criminal Convictions

As part of your request for housing in a residence hall, the School of the Art Institute of Chicago ("SAIC") requires you to disclose information regarding any criminal convictions that you may have. Your answer must be truthful, accurate, and complete. Acceptance into SAIC housing is expressly conditioned upon SAIC's review and acceptance, in its sole judgment, of your criminal conviction disclosure. If you are not accepted, SAIC will notify you. If SAIC learns at any time that your disclosure was not truthful, accurate, or complete, SAIC may, in its sole judgment, revoke your housing in a SAIC residence hall.

Indicate below by checking the appropriate box whether you have any instance in any state or country where you have pleaded guilty or were found to be guilty by a judge or jury to charges that you committed a crime other than minor traffic offenses. You are not required to disclose any arrest or criminal history record information ordered expunged, sealed, or impounded under applicable law or any conviction reversed on appeal.

YES NO

If you checked "yes", you must complete the Student Disclosure of Criminal Convictions and Consent to Obtain Additional Information form. This form can be found at saic.edu/life/housing under the section titled "How to Apply." If you checked "yes" above, you must submit this form with your ECP Summer Institute application.

By signing below, you certify that this information regarding criminal convictions is truthful, accurate, and complete and that you understand and agree that you will notify SAIC immediately of any inaccuracies in, or corrections to, the information you disclose here. You also certify that you understand and agree that you have a continuing duty to notify SAIC of any criminal conviction during the time that you are living in SAIC's residence halls.

Student Rights and Responsibilities-4.1

RIGHTS AND RESPONSIBILITIES FOR EARLY COLLEGE PROGRAM STUDENTS

Early College Program (ECP) students at SAIC have certain rights and responsibilities commensurate with those of degree-seeking students. These rights and responsibilities, which are subject to change from time to time, can be found at saic.edu/students (scroll down on left hand side under Forms, Guides, and Policies > Student Handbook). ECP students should refer only to sections entitled Student Rights and Responsibilities. The Student Rights and Responsibilities include SAIC's specific policies and Student Rules of Conduct. All ECP students are expected to be familiar with and abide by the most current version of the Student Rights and Responsibilities as stated on the SAIC website, subject to the following modifications:

- I. The following provisions of the Student Rights and Responsibilities do not apply to ECP students:
 - Student Participation In Institutional Government;
 - Off Campus Studies Experiences;
 - Health Insurance;
 - Accident Insurance; and
 - Student Employment Committee.

- II. Allegations of misconduct will generally be resolved using the ECP Administrative Procedures described below. However, SAIC reserves the right, in its sole discretion, to use the Student Conduct Procedures or the Involuntary Withdrawal Procedures outlined in the Student Rights and Responsibilities to address certain allegations of misconduct or behavior that renders a student unable to effectively function in the SAIC community.

ECP Administrative Procedures

The Dean of Continuing Studies (DCS) or the Dean's designee will review the allegation of misconduct and initiate an investigation. At SAIC's discretion, the investigation may be conducted by the DCS, his designee or Campus Security. The investigator may seek to interview anyone, including the student accused of misconduct.

Any student who provides information to the investigator must provide truthful information. Providing information that is not truthful may constitute a violation of the Student Rules of Conduct. Students, including those accused of misconduct, are expected to cooperate in any investigation. If a student chooses not to cooperate, the investigation will continue and the matter will be resolved without the input of the student declining to cooperate.

During the course of the investigation, the student accused of misconduct may be restricted from being present on SAIC's premises and/or attending classes.

Upon completion of the investigation, the DCS or designee will review the findings and then convene a meeting with the student accused of misconduct and, if available, the student's parent or guardian. At SAIC's discretion, the meeting may be conducted in person, by phone, or by electronic means.

At the meeting, the DCS or designee will review the allegation of misconduct and discuss the findings of the investigation with the student. The student will be given the opportunity to explain his/her conduct.

At the conclusion of the meeting, the DCS or designee usually will proceed to render a determination as to whether it is more likely than not that the student engaged in an act of misconduct in violation of SAIC's Student Rights and Responsibilities. The DCS or designee will discuss this finding with the student. If an ECP student is found to have committed a violation, the DCS or designee will determine the sanction, if any, to be imposed upon the student. In extraordinary circumstances, the DCS or designee may take the matter under consideration, rather than making a determination at the conclusion of the meeting; in such circumstances, the DCS or designee will communicate the outcome of the meeting to the student as soon as possible following the conclusion of the meeting.

Sanctions are imposed at the sole discretion of the DCS or designee and may include expulsion from the program and/or the residence hall. In addition, an ECP student found to have violated SAIC's Rights and Responsibilities may be prohibited from applying to other programs conducted by SAIC, including degree programs.

In its discretion, SAIC may choose to use procedures and sanctions that differ from the procedures and sanctions that might be applied to a degree-seeking student accused of similar misconduct. Reasons for different handling of ECP conduct issues include the nature of the ECP program, the brief duration of ECP course offerings, the ages of ECP students, and other relevant factors.

In addition to the Rights and Responsibilities as outlined above, ECP students residing in the SAIC residence halls must abide by the most current version of the ECPSI Housing Handbook as found at saic.edu/ecpsi in Forms and Downloads.

Student Rights and Responsibilities Continued-4.2

RULES FOR ECP SUMMER INSTITUTE (RESIDENT STUDENTS ONLY)

Residence hall and school policies have been established to assist in creating a comfortable living environment that is conducive to artistic and personal growth and development. All ECP students are expected to adhere to the ECP Summer Handbook, as well as the SAIC Rules of Conduct in the Student Rights and Responsibilities section, as outlined above. The ECP Summer Handbook can be found here: saic.edu/cs/high_school/summerinstituteresidencyprogram/formsanddownloads/

- Choose ECP Summer Institute Housing Handbook [PDF]

Curfew: In accordance with the City of Chicago's curfew ordinance, ECP students who have elected housing will not be allowed to leave the residence hall after 10:00 p.m. on weeknights (Sunday through Thursday) and 11:00 p.m. on the weekends (Friday and Saturday). All residents will be required to "sign in" for the evening immediately after the curfew time. All requests to be away from the residence hall for the night must be approved by the Hall Director. Your parent/legal guardian must contact the Hall Director via telephone and via a signed fax at least 48 hours prior to the date of departure. Requests to return to the residence hall after curfew will not be granted. Failure to comply with curfew requirements may result in your expulsion from the residence hall.

Quiet Hours: Quiet hours are in effect Sunday-Thursday, 11:00 p.m.-8:00 a.m. and Friday and Saturday, 12:00-8:00 a.m. During quiet hours, noise in public areas should be kept to a minimum. This includes the TV lounge and studio space. When quiet hours are not in effect, residents should still maintain noise levels that are considerate of the needs of others.

Guests/Visitors: The only visitors allowed for ECPSI students are the parent/legal guardians listed on the ECPSI application. ECPSI student residents are not allowed to have more than three other ECPSI student residents in their room at any given time. The total number of ECPSI student residents allowed in a residence room must not exceed five (two roommates and three guests).

Public Transportation: Students must exercise caution when travelling in and around the campus and are highly encouraged to travel in groups at all times. In addition, students are strongly discouraged from using Chicago's public transportation system (CTA "L" Lines, CTA buses, PACE buses, etc.) unless travelling in groups with at least one person who is familiar with the Chicago area.

Candles and Incense: Candles and incense present a serious fire hazard and are not allowed in the residence hall.

Fire Safety: ECPSI students who have elected housing are required to vacate the residence hall when a fire alarm sounds. When an alarm sounds, all residents must walk quickly to the nearest stairwell and exit the building. Everyone should follow the instructions of the Residence Life staff, security officers, and fire personnel. Tampering with smoke detectors, fire extinguishers, or fire alarms in any SAIC facility is strictly prohibited.

Windows: ECPSI students must not tamper with the window safety equipment (including but not limited to window screens and window blocks) in the residence hall, nor allow any guest or visitor to tamper with the window safety equipment. Any issues concerning the proper operation of window safety equipment and/or damage to screens or window safety equipment must be immediately reported to Residence Life. Hanging items in the window or throwing objects from a window is strictly prohibited. Students may not place signs in or on their windows.

DEMANDS OF THE PROGRAM AND SAFETY (ALL ECPSI STUDENTS)

SAIC's Early College Program Summer Institute (ECPSI) is a rigorous academic program for independent, highly motivated students. To be successful in the program, students must be able to perform at the college level by, among other things, assuming responsibility for getting to and from class on time and managing their obligations with respect to classes, workshops, activities, and homework assignments. Residential students must also be able to adapt to dormitory-style living, while attending to their own needs (i.e., getting appropriate amounts of sleep, eating properly, and requesting medical attention when necessary). Finally, students must be able to conduct themselves in a manner that demonstrates self-regulation and self-discipline at all times, especially during unsupervised free time.

SAIC is located in the center of downtown Chicago, a vibrant setting conducive to great art making. Despite the many of attributes of the location, the urban setting and factors that are associated with staying in any large city, should be taken into consideration when prospective students and their parents are deciding whether to register for the program. ECPSI students are not supervised at all times; they are allowed unsupervised free time for lunch, between classes and curfew, and on the weekends.

Students must exercise caution when travelling in and around the campus and are highly encouraged to travel in groups at all times. In addition, residential students are strongly discouraged from using Chicago's public transportation system (CTA) unless travelling in groups with at least one person who is familiar with the Chicago area.

ACKNOWLEDGMENT + AGREEMENT

By signing below, the undersigned Student and Parent/Legal Guardian each acknowledges that they have read and understand the above Student Rights and Responsibilities and Demands of the Programs and Safety, and, for resident students, the ECP Student Housing Handbook and further agree that the Student shall abide by the terms thereof while participating in the ECP Summer Institute. The undersigned also acknowledge and agree that SAIC may, in its sole discretion, impose sanctions against the Student, including but not limited to expulsion from the ECP Summer Institute and/or residence hall, if the Student fails to adhere to the rules and regulations set forth in these Student Rights and Responsibilities and, for resident students, the ECP Student Housing Handbook. Additionally, the undersigned acknowledge and agree that a violation of these Student Rights and Responsibilities and, for resident students, the ECP Student Housing Handbook may, in SAIC's sole discretion, serve as the basis for denying the Student admission to any other program and may result in the revocation of financial aid and merit scholarships.
