

2009 PMCB Annual Workshop

May 8 and 9

The Plantation Golf Resort & Spa
Crystal River, FL

The 2009 PMCB Annual Workshop will be held at the beautiful and newly renovated Plantation Golf Resort & Spa nestled in the Crystal River inlets.

The workshop is designed to give PMCB students and post-docs a chance to sharpen their oral presentation skills and interact with faculty and the guest speaker in a relaxed and informal environment.

The resort offers a variety of activities from golfing to boating to scuba diving to swimming with manatees. You can also enjoy the poolside tiki bar, volleyball and tennis courts or relax in the spa.

Keynote Speaker

Dr. Patrick Schnable

Plant Genomics, Iowa State University
