About Us

WHO WE ARE - <http://www.daileytraining.com/international>

We are the industry leader in basketball player development and production; ranging from the amateur to professional level. Our company is composed of Dailey Training International Basketball Training Academy and Dailey Training Productions.

WHAT WE DO

Team and individual player development in the U.S. and Internationally
10 week basketball training academy including English instruction with ELS
Basketball tournament production in the U.S. and Internationally
Amateur and Professional basketball combines in the U.S. and Internationally

WHY DAILEY TRAINING?

Our team of specialists is comprised of former professional players who have experienced the game in their position at the highest level. Through their rich experiences, players will greatly benefit from Dailey Training. Our team will prepare players for their journey to the collegiate, professional or international pro level. Dailey Training productions has been successfully producing basketball events globally for over 10 years.

WHAT WE CHARGE

Dailey Training will customize packages based on the client's needs, budget, and location.

SOME OF OUR PARTNERS
