February 2015

Dear Softball League Director:

Although snow is still on the ground, the softball season is coming soon. We want to share the most current softball information with you within this packet and at the annual league director meeting. Our league director meeting will be at 1:00 P.M. Thursday-March 26 at the Fridley Community Center. You will be able to pick-up your score books at that time. (see attachments). Here is some information for the 2015 season:

Bats: All bats for the 2015 season used in league and tournament play must have the “new” USSSA logo on its tapered end. Approved bats can be found here: <http://www.ussa.com/sports/Announcements.asp?Sport=17&AA=517>

THE OFFICIAL BAT shall be round in cross section, straight in length and measure not more than 34 inches long, including tape or other grip additions to the bat, shall have a knob at the end of its handle, and not more than 2 ¼” inches in diameter at its largest part. Its weight shall not exceed 31-ounces, including tape or grip addition to the bat. The bat shall have a grip of tape or some other material to facilitate holding the bat during the batter’s swing. The grip shall be not less than ten inches (10”) long, nor extend to touch the taper or barrel of the bat. All key graphics, including USSSA and BPF markings, must be permanent and cannot be applied as decals or by any other method that would allow the key graphics to be easily removed or added to the bat.

A. Material. The bat may be made of hard wood of one piece, or laminated from sections of hard wood bonded together with adhesive in such a way that the grain directions of all the pieces are essentially parallel to the length of the bat. The bat may also be made of aluminum or other metals, fiberglass, graphite or composite materials.

B. Construction. The bat may be made in pieces from different materials but must have a closed barrel end, a handle and a taper. The bat may be modular with interchangeable parts, subject to additional safety and tampering requirements as set forth in the standard USSSA Bat Licensing Agreement. The knob portion must be welded or mechanically attached to the bat. Only USSSA approved bats, USSSA approved weighted bats or USSSA approved bat weigh attachments, may be used by the on deck batter while loosening up on the field.

C. Official Softball. Authorized bat manufacturers shall mark their products with the words “Official Softball.”

D. Other Criteria for Legal USSSA Bats. Bats will be legal for USSSA sanctioned play only if the bat is manufactured by an approved USSSA bat manufacturer on the USSSA approved bat manufacturer list (kept by USSSA and published and made available by means including, but not limited to, the USSSA website) and has the new USSSA mark (kept by USSSA and published and made available by means including, but not limited to, the USSSA website) on the taper of the bat. Wood bats made on the approved USSSA bat manufacturer list shall be legal without regard to this section D.2.

E. Altered Bat Director Inspection and Suspension. A USSSA Director may at any time ask to inspect a bat that has been brought into the location of a USSSA sanctioned event or any other USSSA facility. The owner and/or user may either: **1.** Withhold the bat from inspection and accept an immediate two (2) year (automatic life for second time offenders under EI and/or E) suspension from USSSA sanctioned activities with no right to appeal; or, **2.** Allow the Director to inspect the bat and reach a conclusion as to whether or not the bat might be altered.

Dudley: In all programs that utilize the 12" softball, the Dudley .40 COR Classic M Optic Yellow ball will be used in our postseason tournaments. The Blue Stamped or Stitched ball is the USSSA ball. This ball should be used in all of our leagues and tournaments. The .40 COR Classic M 12" ball is the men's ball and the Classic W 11" ball is the women's ball. These balls have an optic yellow cover.

The Minnesota Recreation and Park Association web site is www.mnrpa.org The Minnesota USSSA website is www.mnusssa.com and should be completely updated by mid-March. All the information that was included in the guide/tournament book is now online. The national website is www.ussa.com

Sanction Fees and Tournament Fees for the 2015 Season:

Adult slow-pitch softball teams: \$21 Adult slow-pitch softball post-season tournament fees: \$170
Youth slow-pitch softball teams: \$15 Youth slow-pitch softball post-seasons tournament fees: \$170

Team registration spreadsheets are due to the State Director by Friday, May 15 for processing and invoicing to be issued an eleven (11) digit team registration number. Teams are required to have a team registration number in order to participate in any USSSA sanctioned tournaments. Team registration spreadsheets can be found on the MRPA web site at www.mnrpa.org , and completed spreadsheets can be emailed to me at mickelson@mnrpa.org .

USSSA Softball Team Registrations Information:

- USSSA requires electronic team registration
- USSSA has provided a simple Team Registration Worksheet which requires the use of at least Microsoft Excel 97.
- MRPA/MN-USSSA has 7 worksheets for team registrations:
 - Men's worksheet
 - Women's worksheet
 - Mixed worksheet
 - Church worksheet
 - Corporate/Industrial worksheet
 - Boys' worksheet
 - Girls' worksheet
- A cover worksheet is also included for league(s) and the league director contact information and to summarize team registration and payment information.
- A complete Team Classification Code Guide is attached for referencing when completing the team worksheet.
- Please note age changes to the youth softball Team Classification Code Guide. Youth ages are as follows: 19u, 16u, 13u, 10u, 8u and 6u.

Getting started with Electronic Softball Team Registrations:

- Make sure you have at least Microsoft Excel 97.
- If you do not receive the 2015 template by email by April 15, you can find the worksheets on the MRPA web site at www.mnrpa.org or contact your state director, Troy Mickelson at mickelson@mnrpa.org for the latest version.
- The softball team registration workbook will be emailed to you as an attached file within a few days of your request. Download the attached file as per instructions of your e-mail program.
- When ready to enter softball team registrations, open Microsoft Excel, then open the 2015 Softball Team Registration file. A workbook with nine (9) worksheets will open.
 - Team worksheets: Men's, Women's, Mixed, Church, Corporate/Industrial, Boys' and Girls'
 - Team Classification Code Guide
 - Cover Worksheet

- If you receive a message from your computer saying “This workbook you are opening contains macros...” click on the “Enable Macros” options to open the workbook.
- Complete all areas of the Cover Worksheet. The Cover Worksheet asks you to describe the team type (ex. Men’s Women’s, Mixed, etc.) you are registering. Enter only teams which fall under this type on the Team Worksheet.
- Complete the Team Worksheet for the perspective league. Enter data in all fields except the Team ID Number field.
- **When entering phone numbers into the team registration worksheets; please do this format: 763-571-1305 and not this format: (763) 571-1305, 7635711305, 763.571.1305 or 763/571-1305. USSSA-ISTS does not recognize parentheses, periods, back slashes and any other symbol. USSSA-ISTS software registration program only recognizes hyphens when entering phone numbers. If the phone number is entered incorrectly on the worksheet the team will not have a phone number associated with the team and/or manager.**
- The Team Classification Guide worksheet provides full descriptions of the Team Classification Codes requested on the Team Registration Worksheet.
 - **Saving your work:** When team data entry is complete, save the updated workbook under a new name using the “Save As” feature under the file menu. For example, call the workbook “Mens2015” or “Girls2015”. This will preserve the file as your blank template for future use.
- Print a copy of the Cover Worksheet to send with your payment to MRPA.
- Team registration spreadsheets are due to the State Director by Friday, May 15th for processing and invoicing to be issued an eleven (11) digit team registration number.
- Email the completed workbook to Troy Mickelson at mickelson@mnrpa.org by attaching the file to an e-mail message, or copy the file to a flash/thumb drive and mail to MRPA. If e-mailing, write “Softball Team Registration” in the subject line of the email message.

Umpire Pay: \$21 per game

Umpire Registration Fee: \$60 or a late fee of \$70 will be assed four (4) days prior to the clinic or the day of.

Umpires must be registered USSSA, USSSA certified and attended an USSSA umpire clinic in order to officiate any sanctioned USSSA leagues and/or tournaments.

Central Division National Tournament Sites in Minnesota

Men's Class “C” in Blaine, MN at Airport and Aquatore ball fields on August 22-23, 2015.

Women's Class “B/C” and “D” in Blaine, MN at BeBops Sports Venue on August 29-30, 2015.

Men's Homerun Limits:

Division	Player Gender	Classification	Number of Homeruns Allotted
Men's		A	8
Men's		B	6
Men's		C	4
Men's		D	2 – New for 2015 season
Men's		E	0 – with an inning ending out and offensive ejection
Women's		A	Unlimited
Women's		B	Unlimited
Women's		C	3
Women's		D	0
Mixed	Male	C	4
Mixed	Female	C	4
Mixed	Male	D	2
Mixed	Female	D	2
Mixed	Male	E	0 – with an inning ending out and offensive ejection
Mixed	Female	E	0 – with an inning ending out and offensive ejection

The following home run limits will be used in Men's "C/D" National Invitational Tournaments: when a Men's "C" Team plays another Men's "C" Team, the "C" home run rule will be used. When a Men's "C" Team plays a Men's "D" Team, the home run limit will be 3 home runs per game, per team. When a Men's "C" Team plays a Men's "E" Team, the home run limit will be 2 home runs per game, per team. When a Men's "D" Team plays another Men's "D" Team, the home run limit will be 2 home runs per game, per team. When a Men's "D" Team plays a Men's "E" Team, the home run limit will be 1 home run per game, per team. When a Men's "E" Team plays another Men's "E" Team, the home run limit will be 0 home runs per game, per team with an inning ending out and offensive ejection.

In the Men's Class "E" and Mixed "E" Programs, any batter who hits an untouched fair fly ball over the fence in fair territory will be declared out and it will be an inning ending out. Each subsequent time that position in the lineup is due to bat, the batter shall automatically be declared out. The player shall remain in the game for defensive purposes only. This applies to any substitute in that batting position. If the player appears in the batter's box after hitting a home run, he shall be ejected from the game and the team must continue short-handed.

State Tournament Play that Advances to National Competition: A minimum of nine players can start a game. However, an out shall be declared when the 10th position in the lineup is scheduled to bat. A 10th player may be added any time before the end of the game. Any team that starts a game with 10, 11 or 12 players may drop to the minimum 9 players to finish the game. All vacant spots in the lineup will be declared an out every time that lineup position is due to bat. If the team starts with 9 or 10 players, they are not allowed to add the 11th or 12th player at a later time.

All Youth State Tournaments and Programs that Do Not Advance Teams to National Tournaments: You may start and finish the game with nine players. You may bat 10, 11, players or your entire roster, and you may use courtesy runners. If someone is injured while batting your entire roster, you can skip over that spot in the lineup without penalty.

Pitching: The pitcher may pitch from the pitcher's rubber or from an area the width of the pitcher's rubber and up to six feet behind the pitcher's rubber.

Baselines: 70' baselines will be used in all adult programs. Hopefully all of our parks and complexes will have their bases at 70'. This will give the fielders extra reaction time and put more defense into the game.

USSSA World Tournaments: All world tournaments will have a 3 game guarantee and all champions crowned will receive Jostens's rings. There needs to be a minimum of eight (8) teams registered in order to receive World Series rings.

Player/Team Classifications:

Men's Program: Individual player classifications can be found on the Minnesota Recreation and Park Association web site at www.mnrpa.org. Player classifications will include any "B" player and above who played on a "B" world tournament team in 2014. Those teams are as follows; **T's 13, Xtreme/Miken and H. Auto LLC**. Any team or roster with four (4) or more "B" players cannot play below "B" classification, in addition any players listed on the USSSA Major player or Major Watch list cannot play below "B" (per National rule) unless the player in affect appeals his own classification and needs approval by the CC and state director. If approved by the state director the team affected will be eligible for "C" worlds only.

Team classifications are divided into three (3) tiers; **COMPETITIVE, RECREATIONAL** and **"E"**.

The **COMPETITIVE** division consists of any team that is interested in playing any post season tournaments. Teams in this division are highly competitive, have several years of experience playing competitive softball and have a high level of tournament experience that prefer to compete at a high level but not at the highest level. Teams are heavily skilled in the fundamentals of softball. Teams in this division have the capability to hit home runs, have speed on the bases and out in the field. Errors are limited on defense, usually few overthrows or missed plays. Base runners are very aggressive and persistent on the bases. Teams are fundamentally sound on both defense and offense with situation acumen. The Classification Committee has identified the following teams as Men's "C" teams for the 2015 season; **Outpost, All Season/DSTI, and Team Stoop** and possibly more to follow.

The **RECREATIONAL** division is the most popular. These teams do not have an interest in playing in the world tournament. However if these teams do want to continue onto post season play they can be reclassified to play up in the “D” or down in the “E” world tournament. Teams in this division are semi-competitive and have little experience in recreational softball. Teams have knowledge of softball and want to compete at a higher level and want to have fun. Several players on the team can hit home runs, have an aggressive defense but not all players have a high skill level. Base runners are aggressive. Teams played at least some recreational softball in the past and are looking to play for the enjoyment of the game. Men’s “D” Recreational teams may have the opportunity to play down in the Men’s “E” program at the discretion of the state director. Those tournaments will be identified on the 2015 MRPA/MN-USSSA tournament schedule. If approved by the state director to play down, tournament will played under “E” rules.

The “E” division is best described as a beginner division. Teams in this division are still learning the game of softball, have little experience in softball, or cannot compete in the competitive division, but play for the enjoyment of the game. Usually the best league for those teams that will be playing in their first season of organized softball. Teams have minimal knowledge of softball and want to compete at an equitable level in a recreational environment. Teams participating in the Men’s “E” program are provided an opportunity to participate in post season play.

Any player who has been classified on a competitive team cannot play down in the recreational program unless that player appeals/petitions his/her case in the form of an email to the classification committee and state director. Players who participate and are on a team roster in the recreational program; can play up in the competitive program but once he/she makes that transition that player now becomes frozen in the competitive program.

Minnesota USSSA Men’s Competitive Softball Program, teams may consist of:

1. Men’s Class “C” program: No more than four (4) class “B” players from the previous year and/or current season.
2. Men’s Class “D” program: No more than four (4) class “C” players from the previous year and/or current season.
3. Men’s Class “E” program: No more than four (4) class “D” players from the previous year and/or current season.

Women’s Program: The Women’s softball teams will be classified by strength of team roster; “B” (TC/Combat and MN Ice), “C” (The Free Agents and Buff Nutrition), and all other teams playing the program are classified as “D” teams. These classifications have been set at the USSSA National level. Any ASA women’s teams wanting to crossover or participate in any MRPA/MN-USSSA softball tournaments, rosters will need to be reviewed by the classification committee and approved by the USSSA state director.

Minnesota USSSA Women’s Softball Program, teams may consist of:

1. Women’s Class “C” program: No more than four (4) class “B” players from the previous year and/or current season.
2. Women’s Class “D” program: No more than four (4) class “C” players from the previous year and/or current season.
3. Women’s Class “E” program: No more than four (4) class “D” players from the previous year and/or current season.

Mixed Program: The Mixed program features three (3) divisions: “C”, “D” and “E”.

Mixed Class “C”, “D” or “E” teams shall not be allowed to have any male player whose name appears on the USSSA Major Players List, USSSA Major Players Watch List or who competed during the season in a Men’s “A” team or higher.

Mixed Class “C” teams will be allowed to have three (3) players who played on Men’s or Women’s “B” teams from the previous year and/or the current season (this could be three (3) male or three (3) female players or any combination thereof, but only a total of three (3) players). Any exceptions will be reviewed by the State Director.

Mixed Class “D” teams shall not be allowed to have any players who played on Men’s or Women’s “B” teams or higher the previous year and/or the current season. Mixed “D” teams will be allowed to have three (3) players who played on Men’s or Women’s “C” teams from the previous year and/or the current season (this could be three (3)

male or three (3) female players or any combination thereof, but only a total of three (3) players). Any exceptions will be reviewed by the State Director.

Mixed Class “E” teams shall not be allowed to have any players who played on Men’s or Women’s “C” teams or higher from the previous year and/or the current season. Any exceptions will be reviewed and approved by the State Director.

Flip Flop Rule: The flip flop rule will be used in all programs.

Use of Improper Language and Players outside the Dugout Area: These are two topics that will again be emphasized at all umpire clinics. It is a MUST that you, as a league director, go over this in your team manager and local umpire meetings.

Team Registration ID #s: All teams will receive an eleven digit ID#. All tournament reports must include the team ID# and game scores.

Rosters Online: All teams that play in USSSA tournaments and leagues must put their roster online at www.ussa.com.

Minnesota Concussion Law: All youth leagues must be aware of and abide to the Minnesota concussion law.

Thank you for following procedures and taking special notice when things are due. We’re looking forward to a great 2015 Softball Season. If we can help, just call, e-mail or stop by.

Sincerely,

Troy Mickelson
Minnesota USSSA State Director

L.	Is the sale of beer permitted in your park?		

5. MRPA/MN-USSSA AGREES TO PERFORM THE FOLLOWING

A.	Retain all entry fees.
B.	Pay game officials.
C.	Pay the tournament director and UIC/rules interpreter upon completion of their duties.
D.	Provide tournament awards. No other awards may be given unless authorized by MRPA.
E.	Provide game balls unless otherwise agreed upon.
F.	Make the tournament draw and disseminate pertinent information to all teams through league directors.
G.	Provide a tournament bracket sheet measuring two feet by three feet.

6. HOST ORGANIZATION/LEAGUE DIRECTOR AGREES TO PERFORM THE FOLLOWING

A.	Along with MRPA/MN-USSSA appoint a tournament director who is responsible for the overall operation of the tournament.
B.	Retain proceeds from the sale of concessions, programs, t-shirts, tickets, and any other type of income unless otherwise specified in this agreement.
C.	Provide MRPA/MN-USSSA with a tournament cover letter, a list of lodging and eating establishments, a map to the tournament site and practice fields, and a description of procedures to be used in case of an emergency. This description must include the location of the first aid kit and the name and phone number of the emergency contact person. The cover letter must include a description of the facilities, the location of the tournament headquarters, and a brief public relations message. Hosts charging for parking or admission must also state the amount they are charging in this cover letter. This information must be supplied to MRPA/MN-USSSA at least one month before the tournament.
D.	The host has the option of charging spectators either for admission or for parking, but not both. The maximum charge is \$5 per car for parking or \$5 per person for admission. Players, umpires and tournament personnel may not be charged for either, so if there is a player in a car, parking may not be charged.
E.	Provide tournament headquarters where the tournament director will conduct the team check-in.
F.	Provide MRPA/MN-USSSA with a list of the top fifty percent (50%) of their community's registered officials. The tournament umpire-in-chief (UIC) will use this list to complement his regional list when making game assignments.
G.	Provide facility/park maintenance including field dragging, watering, chalking, painting foul lines and other maintenance as needed to make the fields suitable for play. This must be done a minimum of every third (3 rd) contest or more often if so requested by the tournament director.
H.	Provide first-aid equipment, emergency ticket-taking, parking supervision, concession sales, and any other jobs as requested by MRPA/MN-USSSA prior to the tournament.
I.	Provide drinking water and adequate rest facilities within a short walking distance of the fields.
J.	Conduct a first class awards presentation using a public address system. This P.A. system should also be used for the championship game.
K.	Cannot conduct any additional contests, e.g. homerun derby, etc., without permission from MRPA/MN-USSSA.
L.	The host site may take one dollar (\$1) for every t-shirt sold at their tournament.
M.	Secure a team picture of the tournament winner (with the appropriate banner) and submit to MRPA/MN-USSSA.
N.	If beer is sold at the tournament, the only beer sold will be that of MRPA/MN-USSSA corporate sponsor.

- O.** Along with MRPA/MN-USSSA, designate a tournament umpire-in-chief (UIC) who will decide all rule protests. He/she will make all game assignments under the guidance of the state and/or area umpire-in-chief (UIC). If competent registered officials are available, the host community will be entitled to a minimum twenty-five percent (25%) of the game assignments.
- P.** If the size of the tournament requires more fields, the host organization agrees to staff and maintain the additional facilities.

7. TOURNAMENT DIRECTOR AGREES TO PERFORM THE FOLLOWING

- A.** Be responsible for the overall operation of the tournament, including team check-in and the awards presentation. He/she will also be responsible for ruling on all eligibility protests.
- B.** Make arrangements with MRPA/MN-USSSA for pick-up and return of tournament supplies, equipment, and all balls (both new and used).
- C.** Provide pre-tournament and post-tournament news releases to the local media. This includes reporting scores of at least the final three (3) games of the tournament to:
Star Tribune at 612-673-4447
Saint Paul Pioneer Press at 651-228-5516
- D.** Submit a tournament report to MRPA/MN-USSSA within five (5) days after the conclusion of the tournament. This report must include a completed bracket sheet with all scores listed, the final results sheet properly filled out, state tournament rosters, all-tournament team, offensive/defensive player, overall MVP of the tournament, and the officials pay sheet. No money will be paid out until this report, the balls, awards, t-shirts, and other equipment returned to MRPA/MN-USSSA.
- E.** Attend a tournament directors meeting.

On behalf of my organization, I agree to the above conditions:

UMPIRE CONCUSSION TRAINING/CERTIFICATION:

Minnesota Concussion Law

The Minnesota Legislature's "Concussion Law" Requires Online Training for All Coaches and Officials and Concussion Education for all Parents and Athletes (began in the fall of 2011).

The Minnesota Legislature passed a "Concussion Law" which requires any municipality, business, school district or nonprofit organization that organizes a youth athletic activity and charges a fee to follow the statute's requirements, including implementing concussion training and education to improve player safety and establish safe return-to-play policies for athletes who sustain a concussion.

The law mandates that:

- All coaches (head and assistants) and officials receive concussion training and education by September 1, 2011, and then at three-year intervals thereafter.
- Coaches must remove an athlete from activity if they exhibit signs, symptoms or behaviors consistent with a concussion and/or are suspected of sustaining a concussion.
- The law also requires an appropriate health care professional's signature to return to play if an athlete is removed due to a concussion or is showing signs or symptoms of a concussion.

The concussion education course we recommend for coaches and officials is the online video training session developed by the Center for Disease Control (CDC) and the National Federation of State High Schools. This course requires registration but is free. Over 200,000 coaches and officials have already successfully completed this course. The training process involves watching a video and then successfully completing a quiz. The entire training module can be completed in a little over a half an hour and then participants can print out a certificate on their desktop or print and scan the certificate to create a digital file.

To complete the free on-line course, go to the following web site: <http://www.cdc.gov/concussion/headsup/training/headsupconcussion.html>

Umpires officiating youth games are required to complete this training.

Certificates of Completion must be e-mailed, faxed or mailed to the MRPA office prior to your first game.

Parents and athletes do not have to complete the training but should access and review the concussion awareness and educational information available at CDC's website: <http://www.cdc.gov/concussion/headsup/youth.html>

Please call 763-781-2220 for details and/or clarification.

I am Minnesota concussion certified Date of completion: _____

I am NOT Minnesota concussion certified and do NOT plan on officiating youth softball until I become concussion certified.

I am officiating youth slow-pitch softball games and recognize that I need to be certified in Minnesota Concussion training.

2015 MRPA/MN-USSSA UMPIRE CODE OF CONDUCT

I therefore agree:

- 1) Umpires shall be free of obligation to any interest other than the impartial and fair judging of USSSA softball competitions.
- 2) Umpires shall hold and maintain the basic tenets of officiating which include history, integrity, neutrality, respect, sensitivity, professionalism, discretion and tactfulness.
- 3) Umpires shall master rules of the game nationally and locally and mechanics necessary to enforce the rules, and shall exercise authority in an impartial, firm and controlled manner.
- 4) Umpires shall uphold the honor and dignity of the profession in all interactions with athletes, coaches, administrators, and the public.
- 5) Umpires shall display and execute superior communication skills, both verbal and non-verbal.
- 6) Umpires shall recognize that anything that may lead to a conflict of interest, either real or apparent must be avoided. Gifts, favors, special treatment, privileges, employment or a personal relationship with a team that can compromise the perceived impartiality of officiating must be avoided.
- 7) Umpires shall prepare themselves both physically and mentally; shall dress neatly and appropriately to, during and from a contest; and shall comport themselves in a manner consistent with the high standards of the profession.
- 8) Umpires shall work with fellow officials and the Association in a spirit of harmony and cooperation in spite of differences of opinion that may arise during debate of points or rules at issue. Observe other umpires, and strive to improve your performance at all times. You as an umpire have an obligation to treat other umpires and staff with professional dignity and courtesy and recognize that it is inappropriate to criticize them publicly.
- 9) Umpires shall not smoke or use any form of tobacco on or in the vicinity of the playing area, nor drink any alcoholic beverages or use any drugs while in uniform before, during or after any game(s) you are assigned to work on the day of the contest.
- 10) Umpires shall not; when observing a game, publicly criticize or demean other officials as they officiate a softball contest. Cooperate and be professional in your association with fellow umpires. Do nothing to cause them public embarrassment.
- 11) Umpires shall be punctual and professional in the fulfillment of all contractual obligations.
- 12) Umpires shall resist every temptation and outside pressure to use one's position as an official to benefit oneself.
- 13) Umpires shall never participate in any form of social media, which should be broadly understood for purposes of this policy to include blogs, wikis, microblogs, message boards, chat rooms, electronic newsletters, online forums, social networking sites, and other sites and services that permit users to share information with others in a contemporaneous manner. It is highly recommended that umpires keep USSSA, MRPA, league directors and their communities' related social media accounts separate from personal accounts, if practical. As an umpire you need to consider social media as a public forum at all times. Please be mindful of what you put out there. Act accordingly. Do not use this forum to discuss specifics about your assignments, other officials, tournament directors, umpire-in-chiefs, coaches, players or any related personnel.
- 14) Umpires shall not try to "out talk" or argue with players and managers. Explain your call, if questioned reasonably, then play ball.
- 15) Umpires shall not let players, managers and spectators become abusive to anyone. Conduct yourself in such a way that spectators' attention is directed to the game and players.
- 16) Umpires shall not go on the field with a chip on his/her shoulder.
- 17) Umpires shall never touch any player or manager. Keep your cool and don't add to a bad situation – keep your temper under control.
- 18) Umpires shall not make false or misleading statements regarding their qualifications, rating, credentials, experience, training or competence.
- 19) Don't listen to everything said on the playing field. React only to those things important to the game itself. Remember be FIRM – not overbearing, be POSITIVE – not rude and be DIGNIFIED – not cocky.
- 20) Umpires shall accept responsibility for all actions taken. Study why bad situations arise and work to correct them.

I have read and understand that I may be reprimanded/suspended for a violation of the Umpire Code of Conduct.
