

2013 Gold Coast Health and Medical Research Conference Thursday 28th & Friday 29th November 2013

Sponsorship packages

“Chronic Disease – Prevention and Improving Health Outcomes”

National, state and local health priorities are being driven around chronic disease prevention and treatment which recognise changes in the world, in response to the ageing of populations and the growing levels of chronic disease, now surpassing infectious disease as the leading cause of death worldwide. This conference aims to bringing together top researchers, practitioners, educators from all aspects of health care to share innovative ideas and latest research whilst increasing patient well-being, improving health as well as stimulating new and novel research collaboration.

Griffith Health Institute invites you to attend this year’s conference and to exhibit your business as well as giving you the opportunity to network with around 350 registrants from across the south east corner of Queensland, Australia.

Companies wishing to sponsor are asked to express interest as soon as possible.
