

Griffith University, Logan Campus
30th – 31st August, 2012

GO HEALTH GO GRIFFITH EXPERIENCE

Go Health Go Griffith invites schools to participate in the two day event. The program is designed for students so we can engage, enthuse, excite and allow the students to experience sessions in biology, physiology, health science, community, medicine, pharmacology, anatomy, molecular biology, clinical skills and public health and disability services and many exciting areas of health and science.

The laboratory sessions, tutorials, and clinical skills as well as resuscitation and infection control are all serviced by health professionals and or scientists from our University or Logan Health District. The collaborative effort enables the program to teach skills and engage over 100 participants.

Students have previously reported that the **Go Health Go Griffith** experience had an influence on their choice of subjects. Our data shows that after being provided with a snapshot of what can be experienced achieved and learnt was a positive influence in terms of expanding the scope of choices for students. Many students enrolled in biology and the sciences and or health effectively expanding their choices.

Due to the overwhelming positive response from schools, students and teachers as well as the educators from the sessions we have decided to extend this program to twice a year .This will enable more students to participate from a wider range of schools. ***Positions are limited so get in quick.***

IMPORTANT INFORMATION

<p>Enrolments must be entered on the supplied registration form.</p> <p>Consent and media release forms must be signed.</p> <p>Information regarding any medical conditions must be signed.</p> <p>Parents/Guardian must sign student in and out on the days of attendance.</p>	<p>Important: Students are required to wear joggers or appropriate footwear (closed in school shoes).</p> <p>Casual comfortable clothing is to be worn. Shorts and jeans for both male and female are preferred as students will be using exercise equipment.</p> <p>Students need to bring their own lunches. <p>Date: Thur 30th – Fri 31st August, 2012</p> <p>Time: 9:00 am – 2:30 pm</p> <p>Cost: \$30.00 for the two days.</p> <p>Expressions of interest and prospective enrolments names or numbers are to be forwarded to the university by the participating schools.</p>	<p>Contact: Dr Suzzanne Owen Griffith Health Development Coordinator GT3 Annexe Gold Coast Campus Griffith University Qld 4222 email: s.owen@griffith.edu.au phone: 5552 9359</p>

WORKSHOP DETAILS

MICROSCOPY – BUGS IN OUR BODY: *This session allows students to explore biology from a microscopic point of view and apply a clinical and scientific application for the identification and management of the bugs we encounter.*

HUMAN ANATOMY: *This session will be hands-on and students will have a tutorial on the body systems with the use of models, skills equipment and simulated material. Students can have fun while learning about science and its place in medicine.*

BOUNCING BODIES: *This session will be hands-on and requires the student to participate in some exercise physiology.*

HEALTH PROMOTION AND ENVIRONMENTAL SCIENCE: *This session is about the population, environmental health and the biological sciences.*

DNA DISCOVERY: *Students attend a laboratory class and extract DNA from various biological materials.*

CLINICAL SKILLS AND LIFE SUPPORT: *Students participate in real case scenarios and learn about life support.*

COMMUNICATION FOR ALL OCCASIONS: *Students become a health professional and educator which allows them to express themselves and expand their critical thinking skills.*

BODIES BONES AND BITS: *Students explore the possibilities and challenges in relation to adaptation, trauma and changes within the body.*

MAKING MEDICINES: *Students have the opportunity to work with a pharmacist and learn about medicine.*

DENTISTRY: *Students explore the world of dental techniques.*

**GO HEALTH GO GRIFFITH
YEAR 10 CADET
WORKSHOP PROGRAM**

**Griffith University, Logan Campus
30th – 31st August, 2012**

STUDENT AND PARENT/GUARDIAN INFORMATION

(to be retained by student and parent/guardian)

COST

All workshop materials and tuition for the duration of the workshop program will be included in the workshop fees. Griffith University will not provide for any costs associated with travel to or from the workshop.

FOOD AND DRINK

Students must bring their own lunch and drink. (There are no available food outlets on the campus during weekends). It is also recommended that students bring a water bottle. Morning tea (cordial, biscuits and fruit) will be provided. Students will be fully supervised whilst in the workshop and on breaks.

CLOTHING AND FOOTWEAR

Students may wear free dress, but footwear must be closed in.

MATERIALS

All materials will be provided in the workshop.

MOBILE PHONES

Mobile phones are permitted at the Go Health Go Griffith workshop. However, they must be turned off during the day but can be used for emergency calls to nominated emergency contacts

ARRIVAL AND DEPARTURE

Arrival time should be no later than 15 minutes prior to the commencement of the workshop. The workshop will commence at 9:00 am and finish at 2:30 pm. On the day, please proceed to the registration desk outside Hub Link Building, LO7 (**attached map reference C6**) where students will be welcomed from 8.30 am. Students may be collected at 2:30 pm at the end of the workshop. If a parent or guardian is not collecting the student, written authorisation naming the person who will collect them must be provided by a parent/guardian.

VENUE

Griffith University, Logan Campus, Academic 1 Building, L05, University Drive, Meadowbrook Qld 4131. Turn right at the second roundabout into Evans Road.

CONTACT

For any enquiries on the day of the workshop, please ring mobile number 0400 966 915 and ask for the Workshop Manager, Dr Suzanne Owen.

CODE OF CONDUCT

1. Name tags must be worn at all times.
2. Gum, alcohol, cigarettes and illicit substances are strictly prohibited.
3. Visitors are not allowed during the workshop program (breaks inclusive).
4. As participants are ambassadors of their respective schools, the normal courtesies and standards expected of students must be observed. With the high standard set for selection, it is expected that behaviour will be correspondingly high and dress standards appropriate.
5. Only prescribed medications are to be brought. Any likely medical condition or allergies will have been indicated on the personal details/medical form to be submitted. Any additional health or dietary information should be provided via email to Dr Suzanne Owen, at s.owen@griffith.edu.au
6. In the event of illness, every effort will be made to contact the parent or guardian before medical attention is obtained. In an emergency, a participant will be taken to the casualty ward of a hospital. If participants feel unwell at any other time, they are encouraged to contact one of the workshop convenors immediately.
7. All clothes and personal property must be clearly named. Participants are discouraged from bringing unnecessary valuables with them.
8. Participants are to take part in the program on the basis of full involvement. It is expected that all scheduled workshop activities will be attended. If emergency situations arise, they will be addressed on a case by case basis.

Failure to comply with this code of conduct may result in immediate withdrawal from the Go Health Go Griffith Workshop.

(g) Epilepsy	yes / no	_____
(h) Recent illness	yes / no	_____
(i) Phobias	yes / no	_____

MEDICINES: Please give details of any medicines being taken by your child including dosage frequency etc.

IS THERE ANY MEDICAL OR PHYSIOLOGICAL REASON TO PREVENT YOUR CHILD FROM PARTICIPATING IN ANY OF THE ACTIVITIES THAT ARE LIKELY TO BE UNDERTAKEN? YES NO

PARENT/GUARDIAN DECLARATION

I given consent for my child _____ to participate in the
Name of Child

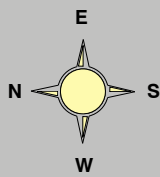

Go Health Go Griffith Workshop program and agree to delegate my authority to teachers involved. Such teachers may take whatever disciplinary action they deem necessary to ensure the safety, well-being and successful conduct of the students as a group, or individually, in the above-mentioned activity. In the event that my child damages or destroys property belonging to another person, I promise to pay the cost of repairs or replacement when requested to do so.

I also authorise the teachers to obtain medical assistance when they deem necessary should an accident occur, and agree to pay all medical expenses, including ambulance and pharmaceutical costs incurred on behalf of the above student. I further authorise qualified practitioners to perform surgery, to administer anaesthetic and blood transfusions if such an eventuality arises.
