

Here's What You Do:

1. Complete the details at the top of page 1.
2. Inspect the premises and mark the “Clean/Undamaged/Working” column as appropriate for each item in the premises. Where a mark is not appropriate for the item, write a description in the “Other items or comments” column.
3. If there are any items in the room that are not listed, you can add them to the “Other items or comments” column. You can also use the spare space to detail additional items.
4. Compare this report with the Entry Condition Report (Form 1a) you completed at the beginning of your tenancy. Note any changes in the condition on this form.
5. Print three (3) copies. Give two (2) copies to the Lessor/Agent, explaining to them they must return one (1) signed copy to you within three (3) business days.
6. Sign each page (3).
7. Ask the Lessor/Agent to sign your copy as proof that it was received from you. You can discard this copy when you receive the signed copy back from the Lessor/Agent.
8. Ideally, you should talk to the Lessor/Agent if there are items where they disagree with your assessment of the condition of the premises. If appropriate, you might decide to record any agreement you reach in the “Additional Comments/Information” section. If you can't agree, you can access the RTA's Dispute Resolution Service.
9. When you receive the signed copy from the Lessor/Agent, retain it for your records.

Here's What The Lessor/Agent Does:

1. Inspects the premises and comments on any item where they disagree with the Tenant/s report, or where they believe the report does not reflect the true condition of the premises.
2. Compares the condition of the premises at the end of the tenancy with the Entry Condition Report (Form 1a) that was completed at the beginning of the tenancy.
3. Signs EACH PAGE of the report (3).
4. Returns a signed copy of each page to the Tenant/s within three (3) business days and retains a copy for at least six months after the tenancy agreement ends.
