Supplement for Applicants to the Clinical Psychology Program

Please print this form, fill it out, and send it with your application

If you are applying for admission to the clinical psychology program, please provide the following information. Please also enclose a resume, if you feel it would be helpful.

Are you a citizen of the United States? Yes No

You may indicate a minority group membership if you wish:

Please type your **Statement of Proposed Study** on separate pages – not on the application itself. The statement should be between 2 and 3 double-spaced pages.

Please be sure to

- 1) Include reference to your research/teaching experience and interest, and
- 2) Describe your employment and/or volunteer experiences that have contributed to your interest in specific aspects of clinical psychology.
- 3) Please describe your career goals

Please indicate which track(s) are of particular interest to you. If you have more than one interest, please rank order your choices.

Adult Clinical Track

_____ General Adult Clinical Track

_____ Clinical Geropsychology Track

Child Clinical Track

_____ General Child Clinical Track

_____ Pediatric Psychology Track

After we review applications, we invite approximately 40 individuals (half with a primarily adult focus and half with a primarily child focus) for interviews. The interview process usually includes individual meetings with 2 or 3 faculty members and a graduate student in the program. Please indicate in the space below any faculty members whom you would like to meet if you are invited for an interview. Every effort will be made to accommodate this request, although honoring all requests may not be possible due to the time commitments of our faculty. Also, please indicate the specific faculty in the Psychology Department or affiliated faculty with whom you might be interested in working.
