

**JOINT PLANNING TOOL
FOR NOVA-TF PROGRAM
NVCC Spring 2010/Training Futures Cycle 18
As of November, 22nd, 2010**

Purpose: The purpose of this TF cycle planning tool is to outline action steps, target dates for action completion, and individual accountabilities to execute the Training Futures-NOVA agreement, deliver seamless services to trainees, and promote efficient program administration by contributors from both organizations.

TF Cycle Number: 18

Start Date: 01/03/2011

Financial Aid Application Cutoff Date: 12/17/10 TF Graduation Date: May 5th, 2011

NVCC Spring Semester 2011 – 16 Week - Census Date is January 27th, 2011

Target Outcomes – The TF-NOVA agreement for this cycle seeks to achieve the following client service outcomes:

1. Enroll 50-55 low-income trainees at Training Futures and NOVA, and retain 85-90% of these through TF graduation.
2. Deliver training that earns graduates up to 18 NOVA college credits at no out-of-pocket costs to trainees.
3. Provide support services to enable 85-90% of TF program graduates to secure a new job that increases their earnings by an average of 25%.
4. Assist trainees in Federal Financial Aid program. Our goal is to obtain F/A for 90% of enrollees.
