

## FORM OVERVIEW

Use this document to find all of our products in the Team Beachbody® Shop with their corresponding prices, PV, TV, and SKUs.

**Retail Price** – The price a non-Team Beachbody member or free Team Beachbody member pays.

**Club Price** – The price a paying Team Beachbody Club member pays.

**Coach Price** – The price a Team Beachbody Coach pays.

**PV** – (Personal Volume) – Points assigned for purchases made by you or your customers. It is used to determine your active status and rank.

**TV** – (Team Volume) – Points assigned for purchases made by your downline Coaches and their customers. It is used to calculate the Team Cycle Bonus.

**SKU** – A SKU is a unique identifier for each product in the Team Beachbody store. Use the SKU to personalize product links, as shown in the instructions below.

**Bonus Points** – Points used to determine commissions/bonuses to be paid to a Coach each Bonus Earning Period. Bonus Points are a universal currency (1 Bonus Point is equal to 1 US Dollar) to which the Company multiplies a currency conversion rate (current rates published in the Coach Online Office) to determine the amount paid to a Coach.

**Bonus Points (Retail)** – The amount of bonus points given to a Coach for a sale to a retail customer.

**Bonus Points (Club)** – The amount of bonus points given to a Coach for a sale to a Club customer.
