Don't miss out on this wonderful opportunity to purchase Waldorf school supplies for your child and family, as well as AmberLights beeswax candles and Dr. Hauschka Skincare products, all while raising funds for our school! Plan ahead for upcoming events – holidays, birthdays, school breaks and rainy day activities.

Please purchase materials that are age appropriate for your child. Your teacher will be happy to answer questions about materials that are suitable for your use at home. If you are interested in an item your child uses in the classroom but don't see it listed here, please contact your teacher or call Becky. There are many other items available for purchase, including main lesson books and flutes; we simply can't list them all! For a comprehensive list, call Becky to arrange a time to view the catalog.

Even if you are not interested in ordering at this time, please keep this handy. Many items are available throughout the summer, including pencils, crayons, paints, silks, felt, beeswax and paper. Simply contact Becky to place an order anytime.

Orders must be prepaid and turned in to the office or the above email address by 3:30 p.m. on Tuesday, May 26th. Payments may be made via cash or check in the office. You will be asked to complete a form which will be attached to your payment, identifying the amount and purpose of the payment; please be sure to indicate your payment is for a School Store order.

Your order will arrive before the last day of school and will be available for pick up in the office. Questions? Please call Becky Wyland at 303-349-3835.
