"Faith, Family and Tradition – Building Today for Tomorrow"

Letter of Commitment – Church Expansion – Building Fund

Consider joining other parish families by giving a gift or pledge to be completed by June 2017. While we have received pledges to pay for the church expansion, some parishioners move or will not be able to fulfill their pledge. Anything that we collect above the cost of the building projects will go to our endowments. Ultimately, the goal is to fund the three endowments with \$1,000,000 by June 2017. This will enable us to fund projects in the short-term through the interest earned on the accounts – yet, have more funds available in the future, perhaps decades from now, when this area is in decline. Memorial opportunities are still available; if you are interested please contact the parish office. Let us know your intentions by completing and returning this form.

Electronic Funds Transfer – Making Giving Easier *

As with our Annual Offertory Program, St. John Neumann is offering the option of electronic funds transfer (EFT) for the Church Expansion - Building Fund collection. Parishioners who are comfortable with transactions such as debits from one's bank account, charges to one's credit card, or banking by computer can choose this option. EFT is a safe, easy, and beneficial method of fulfilling debt elimination collections for both the church and the parish family for several reasons, including:

- There are no checks to write, no checks to remember, and no checks to lose.
- The parish saves money because EFT reduces bank costs and parish office administrative work.
- Record keeping is more accurate because we get monthly EFT bank statements.
- EFT means your parish receives your commitment regularly, including the times you are away for vacations or extended trips.

*** Complete the information below for your selected method of payment and account authorization:**

Please note that if you are using EFT for your Offertory contribution, you may use different accounts for both transactions. You may also choose different payment dates for each pledge.
