58th

Catamaran Resort Hotel
San Diego, California

November 10-12, 2014

SCHEDULE

Sunday, November 9, 2014
NHTSA Biomechanics Workshop

Monday – Wednesday
November 10-12, 2014
58TH Stapp Car Crash
Conference

STAPP

For Stapp Conference information,
please contact Zonda Ketola at
734-936-1114 or zketola@umich.edu

HOTEL INFORMATION

The Catamaran Resort Hotel in San Diego, California is the location for the 58TH Stapp Car Crash Conference. Room reservations made by October 10, 2014 will be \$159/night. A limited number of rooms are available at a government rate. Be sure you identify yourself as attending the Stapp Car Crash Conference. Please make your reservations early. Reservations requested after October 10, 2014 will be confirmed on a space-available basis. Please refer to the hotel reservation form for additional information regarding hotel accommodations.

EARLY REGISTRATION

To be eligible for the reduced conference registration rate, visit the Stapp website to register on-line or complete and mail/fax the registration form provided in this brochure by October 10TH. Conference registration includes admission to all technical sessions, continental breakfasts, refreshment breaks, evening receptions, and a CD of the Stapp Journal. Student registration does not include the Stapp Journal CD. (On-site registration will also be available.)

FINAL PROGRAM

The final program for the 2014 Stapp Conference® will be available on the Stapp website in September. Final programs will be emailed to all those who have pre-registered as well as previous Stapp Conference attendees.

The Stapp Car Crash Conference® is the premier forum for presentation of research in impact biomechanics, human injury tolerance, and related fields that advance the knowledge of land-vehicle crash injury protection. The conference provides an opportunity to participate in free discussion regarding the causes and mechanisms of injury, experimental methods and tools for use in impact biomechanics research, and the development of new concepts for reducing injuries and fatalities in automobile crashes.

This year's Stapp Conference will be held on November 10-12 at the Catamaran Resort Hotel in San Diego, California. Technical presentation topics will include restraint system performance, advanced dummy design, head and brain injury, spinal injury, thoracic and abdominal injury, upper and lower limb injury, pedestrian injury, and modeling techniques.

This brochure provides information about the conference so that you may begin to make plans and reservations. The Catamaran Resort is located 15 minutes from the San Diego International Airport. Please use the information provided in this brochure to make your hotel reservations.

The 42ND NHTSA-sponsored International Workshop on Human Subjects for Biomechanical Research will be held on Sunday, November 9, preceding the Stapp Conference. Registration for the workshop is included in the Stapp Conference Registration form. No additional registration fee is required. Additional information for the workshop can be obtained by contacting the NHTSA Workshop Chair.

On behalf of the Stapp Advisory Committee, we welcome all prospective Stapp Conference participants and attendees, and thank those of you who have attended previous Stapp Conferences for your interest and valued contributions. We look forward to seeing you at this year's Stapp Car Crash Conference.

John W. Melvin, General Chair
