

2015 South Shore Estuary Reserve Implementation Status Report Project Tracking Form 2011-2014

The NYS Department of State Office of Planning and Development (OPD) and the Long Island South Shore Estuary Reserve (SSER) Office request your assistance to prepare the 2011-2014 SSER Implementation Status Report (ISR) to compile a complete description of all SSER *Comprehensive Management Plan (CMP)*, 2001 recommendations implemented (capital improvements and actions). Please fill out one Project Tracking Form for each project completed between January 1, 2011 and December 31, 2014. Due date March 6, 2015.

Note that you must have the form opened in Adobe Acrobat to complete it online. If you are using Adobe Acrobat Reader you may have to save the form to your computer and when it's completed send it manually to lou.siegel@dos.ny.gov. If you experience difficulty completing the form contact - Lou at 631-952-7903.

A listing of 'Abbreviations and Terms' can be found on page three of this form.

Project Description

(To choose more than one Recommendation use 'Shift' + left mouse button.)

SSER Recommendations Addressed by this Project. Highlight all that apply.

- Improve and Maintain Water Quality
- Protect and Restore Living Resources
- Expand Public Use and Enjoyment of the Estuary
- Sustain and Expand the Estuary-related Economy
- Increase Education, Outreach and Stewardship
- Community Risk and Resiliency to Sea Level Rise, Storm Surge, and Flooding

Description of the Project Please provide a detailed account of your project such as: the number of pounds of trash collected, acres of wetlands restored, number of seed clams released, miles of trails created, number of docks built, amount of dune grass planted, etc. For community development projects and plans provide a short summary of the plan highlights and describe how it will help improve the SSER. For water quality monitoring projects include information such as the date new monitoring equipment was deployed, parameter(s) monitoring time periods, and data trends in the past four years.
