TOURNAMENT STRUCTURE:

A minimum of four teams is required to run a division.

- Games will be played in two 12-minute runtime halves, with a 3-minute warm-up period, and 1 minute between halves.
- Games will have a single on-ice official who will call all goals, penalties/penalty shots, and maintain pace of play.
- There will be an ice cut every other game.
- All teams are guaranteed 4 games during the weekend.
- There will be no tie breakers.

TOURNAMENT RULES:

USA Hockey rules are in effect except for the modifications listed below.

- All players are required to follow USA Hockey equipment recommendations.
- This is a non-checking event. Body checking is not permitted at any level.
- Slap shots are allowed at or below the waist.
- Play will be continuous from the drop of the puck at center ice at the beginning of each half through the end of each period.
- When a goal is scored, all skaters from the scoring team must immediately skate back to any point behind the red line. Failure to do so quickly will result in a delay of game penalty against the scoring team. Once the scoring team is behind the red line, the official will blow the whistle to signal the puck may be put in play from behind the net by the team that was scored upon.
- **Penalties:** **ALL penalties called by the on-ice official will result in a penalty shot for the non-penalized team.** All non-shooting skaters must immediately go to the sideboards during the penalty shot. Once the penalty shot is taken, regardless of the outcome, the team that took the penalty shot will immediately skate back to any point behind the red line in order for play to resume. Once that team is behind the red line, the official will blow the whistle to signal the puck may be put in play from behind the net by the defending team.
- **Icing:** In order to keep the game moving in a continuous fashion, icing calls will not apply for this tournament. However, if in the judgment of the on-ice official a team excessively ices the puck for the purpose of delaying the game, that team may be assessed an un-sportsmanlike conduct penalty after a verbal warning by the on-ice official. A penalty shot will then apply.
- **Off-sides:** Off-sides will apply for this tournament. The whistle will be blown by the on-ice official, at which time the team that was off-sides must give up the puck immediately to the defending team. Play will then immediately continue. Players may “tag up” to avoid an off-sides violation.
- If for any reason a player cannot continue, play will become 5 on 4. Teams can play with no less than 3 skaters and 1 goalie. If a team cannot field this minimum, the game will be declared a forfeit.
- Fighting **WILL NOT** be tolerated. Any players involved in a fight as deemed by the game official will receive an automatic game misconduct (1 game suspension) and could result in expulsion from the tournament. Remember, this is for FUN!
- Four minor penalties to one player in any game results in an automatic game ejection (remainder of current game). Major penalties such as spearing or butt-ending could result in expulsion from the tournament.
- There are no time outs during the game.
- All teams must have home (light) and away (dark) jerseys.
