

The Chamber of Commerce has something for everyone who wishes to become actively involved in this organization. Following is a list of some of the opportunities that await you:

Ambassadors Club: Serving as the goodwill arm of the Chamber, the Ambassadors Club assists in various activities including Grand Opening and Ribbon Cutting ceremonies, Business After Hours, Membership contact and retention, Operation Thank You and innumerable other activities.

Governmental Affairs Committee: The Chamber’s Governmental Affairs Committee, working on behalf of businesses in Jacksonville/Onslow County in the legislative arena, ensures that your voice will be heard on issues of importance on a local, state and national level. This committee presents important issues to the public through Forum Onslow. Membership to this committee is by appointment only and requires a special application.

Education Committee: The Chamber’s Education Committee is an integral player in business/education partnerships. They feel no issue is more pervasive and more demanding of Chambers of Commerce than the issue of workforce development. Therefore, they have established a partnership between the Chamber of Commerce, Onslow County Schools and Coastal Carolina Community College to implement a School-To-Work program called JobReady.

Small Business Council: The Small Business Council is a group of volunteer business owners, managers and leaders who operate new and established businesses in Onslow County. The Small Business Council serves as a personal “help line” for troubleshooting problems that small business Chamber members may face during their day-to-day operations.

Military Affairs Committee: Helping to foster exemplary military/civilian relations, the Military Affairs Committee realizes the value of a united business and military community in Jacksonville/Onslow County. Membership to this committee is by appointment only and requires a special application.

Event Committees: The Chamber of Commerce hosts several events for the betterment of the community. In order to make these events successful, working committees are formed and meet prior to and assist with the event. A separate committee oversees each of the following events: Education Golf Tournament, Spelling Bee, Business Expo and Holiday Parade Committee.
