Alden-Hebron District 19
9604 Illinois Street
Hebron, IL 60034

SEPTEMBER 2014

Phone System Update

We are in the process of updating the district's phone system. This was scheduled to be completed by the first week of August. Unfortunately the installation was delayed. We apologize for any inconvenience you may have experienced. If you need to contact either the Elementary School or the Middle School/High School, you will need to dial 815-648-2442 and follow the prompts to get to the correct extension. Below are direct lines to district/building administration as well as the district athletic director for your convenience. Employees have received a short training on the basics of the phone system, but more extensive training is forthcoming. Our phone system updates are a courtesy of a state grant that provides added safety features for district employees and students. We are excited about the new capabilities the phone system will bring to the district as well as the security of knowing added safety measures are now in place for staff and students. Thank you for being patient with our transition.

New Faces in the District

I graduated from Illinois State University in 2004. I received my teaching certificate from Judson University. I have been teaching music ever since 2007. I started playing the cello when I was 2 years old. I have been playing various instruments since then. I have a beautiful wife and two wonderful children.

Mr. Price- ES/MS/HS Music

I am from Lake in the Hills and attended Crystal Lake South High School. I graduated in May from Illinois State University with a Bachelor's in Biology. My hobbies include fishing, playing bass guitar, baseball, and golf. I work over the summer as a camp counselor, a natural gas service technician, and tutor students in Biology and Chemistry.

Mr. Kujala- HS Science

Hello, I'm Kyle Dahlke and I am the new physical education teacher here at Alden-Hebron Elementary. I graduated from NIU in December 2013 with a degree in Physical Education and Health Education. I also served in the U.S. Marine Corps after high school before starting college and I currently am in the U.S. Navy reserves. I look forward to working with all the students here at Alden-Hebron Elementary and I hope to help them become more competent movers and enjoy being physically active for the remainder of their lives.

Mr. Kyle Dahlke

Hannah Kelly is our new fourth grade teacher. Hannah resides in McHenry and is a 2014 graduate of Illinois State University where she majored in Elementary Education. Hannah brings a wealth of experience and specialized endorsements in the areas of reading, language arts and social studies. My interests are reading, traveling, and spending time with my family, friends, and dog.

Ms. Hannah Kelly

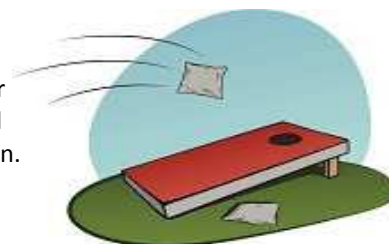

FAMILY

Save the Date!

BAGS Tournament

The Parent Involvement Committee is planning the **Second Annual Family Bags Tournament**. This event will take place at the high school on Friday, September 26th from 5:00 to 7:00. Don't miss the fun! Details will be coming home with elementary school students soon.

From The Athletic Directors Desk

Welcome back everyone!! I can't believe how fast the summer went by. The fall sports teams have all been working hard over the summer with camps and workouts to prepare for successful seasons. We have a lot of home games scheduled so come out and enjoy some good football and volleyball over the next two months. I have a few business reminders for everyone; the schedules are posted on the website and that is a good place to check weekly for any changes or updates to any of the sports schedules. Also I am sure by now most of you have discovered we have a new phone system we are all trying to get use too. My direct line here in the Athletic Office is (815)-648-1662 you are welcome to use that number any time. I would also like to welcome all our new students and incoming 5th graders that are playing sports this year. Remember that we must have a sports physical on file before you can practice and your sports fees must be paid before the first scheduled game of your season. You can take care of either of those items any time in the MS/HS office. I would also like to encourage people to get signed up to help out in the concession stand with the Booster Club!! They do so much to help keep your fees lower than most schools they could really use everyone's help!!

I want to send out a HUGE THANK YOU to everyone that helped with Giant Fest. We may not have raised as much money as we wanted too, but it was a great day for the community and everyone had very positive feelings about. People are already looking forward to next year Giant Fest II. I would like to remind everyone about the Golf Outing coming up Sept. 14th at Twin Lakes Country Club we have a great day planned full of fun, golf, prizes and good food. Come out and join us to raise money for the lights. We have raised over \$20,000.00 so far and would like to get to that \$45,000.00 - \$50,000.00 mark soon. Come out and help be part of history for Alden-Hebron Sports. If you would like to get signed up please give me a call here at the school or call Karen Lalor @ (815)-648-2411

Thank you to everyone, I am really looking forward to this season "GO GIANTS" ~ Coach Lalor

Delores' Dream Playground has been completed! Thanks to the many volunteers all year long that have shared their money, time and talents for the new playground at the elementary school. The Alden-Hebron PTO's fundraising efforts combined with a playground grant and much community support has truly paid off!

There was an article in the Northwest Herald on Sunday, August 17, 2014

"The community project – nearly four years in the making – gives Alden-Hebron Elementary students \$40,000 in new playground equipment to use. But the many volunteers at the school on Saturday had only one person on their minds, as they worked all day to erect new slides and swings. The day, they said, belonged to Delores Swanson, a former District 19 teacher and principal of 29 years."

PTO NEWS

Welcome to a new school year! This year's P.T.O. officers are Patti Peisert, Secretary; Colleen Geils, Treasurer; Leanette Trost, Vice-President and Kristen Norton, President. Please join us on the second Wednesday of each month at 2:50 in the elementary library.

Volunteers are always welcome and appreciated! The following committees are in need of volunteers. Please see any PTO Board member or e-mail us at PTO@alden-hebron.org to volunteer and share in our students' education.

***Market Day** – Requires a couple hours, one day a month. Help unload the truck, pull and pack orders for pickup.

Teacher Appreciation - Assist with planning and organizing various events in May during teacher appreciation week.

Breakfast with Santa - Promote and serve breakfast to families the day of the event.

Movie Nights - Promote and supervise students for movie night.

Fall Fundraiser - Distribute information, collect orders, and organize pickup.

Spring Fundraiser - Distribute information, collect orders, and organize pickup.

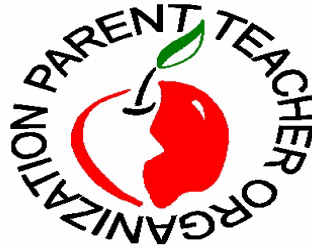

Lip Sync - Assist with planning and organizing event.

Game Night - Promote and supervise students.

Spiritwear information and order forms will be sent home soon with elementary students.

Meeting Dates for 2014-2015

Guidance Corner

Welcome Back Giants!

2014-2015 is going to be a GREAT school year!! For those of you who do not yet know me, my name is Laura Schuda (formally Laura Sprow), and I am the Academic Advisor / District #19 Guidance Counselor. It is my goal to assist students in making educational, occupational, and life plans that help them develop into productive, successful citizens. Some of my responsibilities include working with students to aid in course selection, choosing appropriate post-secondary plans, aiding with goal setting and achieving, finding resources, and keeping the lines of communication open. Please be aware that I put a lot of valuable information on the Guidance Webpage and Guidance Bulletin Board (Board next to exit to the mobiles) quite regularly, so be sure to check these often. If you have any questions, comments or concerns, please do not hesitate to contact me at any time! ☺ Have a great year, Giants!!

Academic Information

Students, be sure to start the year off on the right foot:

- Use your assignment notebooks to stay organized and keep track of homework assignments
- Check your grades regularly! Please call the Main Office if you have forgotten your PowerSchool username or password
- Utilize your 5th hour study hall to complete homework, ask your teacher questions, and study ahead of time for tests

Post-Secondary Information

Please pay attention to and check the Guidance Bulletin Board and website regularly for:

- **COLLEGE REPRESENTATIVES** — admissions counselors from schools all over the country schedule times to come to AHHS and are available to sit down with you during your lunch period. This is a chance to learn about schools and ask questions before you visit or apply. These are very informational and can be very helpful in deciding which school is a good fit for you.
- **TESTING** — all upcoming tests will be advertised on the calendar to notify you of which tests are coming up, and the deadlines to register.
- **APPLICATION DUE DATES & IMPORTANT EVENTS**
- **COLLEGE FAIRS** — I will list where and when various college fairs will be held so you can obtain multiple colleges' information in one location.

September College Fairs:

NACAC National College Fairs

Sept. 27th @ 11-3pm -Chicago Navy Pier

Sept. 28th @ 12-3pm -Milwaukee Wisconsin Center

Seniors

Seniors... many colleges have priority deadlines coming up in November. It might seem far off, but it will come up fast! Applying for college early often provides you with benefits, such as increased scholarships, financial aid opportunities, priority housing or course selection, and if you are on the 'bubble' with admission requirements. **GET THOSE APPLICATIONS IN!!** If you need help finding a college, applications, or information, stop by the Guidance Office. Please be aware that in September, **all seniors will be having individual meetings with Mrs. Schuda to discuss post-secondary plans.** Please adhere to your pass time when you receive it and check the guidance bulletin board for when your counselor meeting is scheduled.

Seniors — please turn in your Letter of Recommendation Forms to Mrs. Schuda ASAP. The counselor will hold those forms and can make copies of them at any time for you to ask a teacher or coach for a letter when filling out college applications. Your request for a letter with automatically be denied without this completed form!

Testing

Sophomores and juniors, it is time to sign up for the **PSAT**. The Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) is a standardized test that provides students with firsthand practice for the SAT®. It also gives you a chance to enter NMSC scholarship programs and gain access to college and career planning tools. You can sign up in the main office. The fee is \$14 & you will be given a study guide booklet once you bring in your check and the test will be held on Wednesday, October 15th.

Juniors and seniors: register for another ACT. Test dates and registration deadlines can be found on the Guidance Webpage and the Guidance Bulletin Board. Please visit www.act.or to register. The next test is scheduled on October 25, 2014, and the registration deadline is September 19th!

Homework Solutions

Like an actor rehearsing his lines or a batter working on his swing, your child does homework for practice what he learns in school. And if he's like most youngsters, homework brings occasional challenges. Here are solutions to common problems he may face.

Getting Started

When your child gets home from school, he might want to relax for a little while, or he may want to jump right in and work. Have him try each method for one week and keep track of how it goes. He could write notes in each day's calendar square. ("Went great!" or "Hard time getting started.") After two weeks, he can review his notes to see which routine works best for him.

Staying Motivated

Does your student feel restless while doing homework? Suggest that he get up and move to a new spot. For example, he may finish his vocabulary assignment at the kitchen table and then read his science chapter on the porch. A planned break (ex. snack or walk) can also give him a second wind!

Solving Problems

Help your child make a list of strategies he can use when he gets stuck. For a math assignment, he might try tools like a number line or find sample problems in his book. When he's reading, he could look up words in a dictionary or reread a paragraph. — Home & School Connection, 2014

Laura Schuda
Academic Advisor

PineTree Poetry Contest:

At the end of the school year, the current 7th grade class entered poems they had written throughout the year into a contest for the Pinetree Poetry Contest. We had 12 student's poems selected to be in the book. Parents of the students please keep an eye open for a letter from the company coming in the mail. For your student's poem to actually be printed in the book you need to send the permission back. I would like to recognize the students though that were selected they were: **Angelina Fust, Anna Dickfoss, Anna Webber, Branden Aitken, Briseida Flores, Logan Bohl, Luke Snarski, Madison Baldwin, Morgan Baldwin, Rachel Pahl, Tom Cossiboon, and Travis Bates.** Great job!!

Mrs. Michelle Fay
Alden-Hebron Middle School Teacher
