**Automatic Pool Cleaners**  
—Get Cash Back from Polaris

*Get cash by trading in your old cleaner for one of the most powerful and advanced pool cleaners on the market....*

**S**imply trade in your old automatic pool cleaner—working or not—and pocket some extra cash. Receive **\$150** for the purchase of a Polaris 380 that works with a booster pump or **\$50** for the purchase of a Polaris 360 that works with existing circulation systems.

Both of these 3-wheel cleaners vacuum, sweep and scrub the floors, walls and steps of most in-ground pools. Debris is captured in an easy-to-remove filter bag before it gets into your filter system, saving you time on pool maintenance. In less than 3 hours, these cleaners can completely clean your pool and redistribute circulated chemicals and heat, eliminating cold spots and algae problems.

Purchase either cleaner and mail in the old cleaner body to Polaris (no hoses, wheels or pumps necessary). There is no need to take extraordinary precautions as a broken cleaner will not affect your eligibility. We recommend shipping it via UPS, so save all shipping receipts in case a trace becomes necessary.

If you do not have an existing cleaner, please see the other side of this brochure for a \$50 Rebate on the Polaris ATV, the most powerful suction cleaner on the market. No trade in necessary, just send in the Warranty Card, sales receipt and Rebate Certificate. The ATV even cleans in reverse. It connects easily to your skimmer or a dedicated suction line.
