

Digi-Girls: be part of IT!

A fun technology skills acceleration program for girls

**ICT = a truly global career - great jobs, great money and part of the future
... just add girls!**

TAFE NSW Northern Sydney Institute has 30 funded places for girls of 15 to 17 years for an IT Certificate 1.

Girls will learn:

- *digital artwork and media*
- *create a blog with Wordpress*
- *video editing and up-loading to YouTube*
- *robotics- make our robotic dogs do tricks!*
- *about industry with industry contributions - And much much more!!!*

Fridays TERM 2 starting April 27th 9am - 3:30pm

Meadowbank College IT Section

Contact Robyn Woolley Ph 9448 4429 E: robyn.woolley@tafensw.edu.au

The course content will expand girls' perspectives from being a user of technology to how IT is designed and developed to meet current business needs and future Innovation. **Registered as a National Career Development Initiative**
