

WELCOME MESSAGE

Welcome to the ENT in Primary Care Course & workshop .This comprehensive programme has been put together to update and equip the front-lines of our health care system to confidently & appropriately respond to common ENT Condition

This teaching programme will begin with series of lectures to refresh those already dealing with these condition as well as to initiate "new-comers" to systemically approach & assess the patients.

A unique features of this programme is the inclusion of handbooks & DVD's prepared by the experts, specially designed for this teaching programme. This will augment the lessons & practical session & serve as a quick reference in the primary care settings .

Dr. Pathma Letchumanan
(Course Director and Teaching Programme Coordinator Department of ORL,HRPB IPOH)
