

WALK OF LOVE

A wonderful opportunity to assist Robeson County's only not-for-profit hospice and its in-patient hospice facility has arrived! We are proud to introduce our "Walk of Love", a brick paver recognition project!

Your gift of \$100 will enable you to place a permanent paver with the name of your loved one, club, business, or church's name or even yourself in the front garden area of Southeastern Hospice House. If interested in this project, please respond as soon as possible. Bricks are order on a quarterly basis.

Name _____

Address _____

City _____ State _____ Zip _____

Phone _____ Email _____
