

# It's a Convoy

# Join us...

The World's Largest Truck Convoy® is a celebration of the trucking industry. This is a unique one-day celebration in which law enforcement will escort a convoy of trucks up to 35 miles through town. The Convoy is designed to raise funds and awareness for Special Olympics and is made possible by the trucking industry and law enforcement professionals working together for a great cause! Participating truckers will meet at a staging location and are escorted in convoy to a predetermined destination where they are welcomed by Special Olympics and the community. A celebration picnic, entertainment, static displays, awards ceremony, auction and more is held to recognize participating truckers. The message of the Convoy to the drivers & trucking companies is the same:

***Thanks for supporting Special Olympics & for keeping our community moving!***
