

## FSH SOCIETY & FSH MD

The FSH Society, Inc. is a 501(c)(3) non-profit tax-exempt U.S. Corp. founded in 1991. Its purpose is to help fund and promote scientific and clinical research on Facioscapulohumeral Muscular Dystrophy (FSH MD). The FSH Society is the world's largest and most progressive grassroots network of patients, their families and research activists.

*FSH MD is the most prevalent form of MD affecting 1 in 14,000 people worldwide and possibly many times more. Although there are no treatments, in August 2011 a group of investigators working in Milan and Seattle, reported in Molecular Therapy, the successful reversal of FSHD in mice using gene therapy. The research has been supported by the FSH Society, among others.*

The FSH Society is dedicated to finding treatments and a cure through basic translational and clinical research. We engage and support tens of thousands of patients, their families and friends worldwide. We award post-doctoral fellowships to researchers; provide education and outreach and advocate for patients with government and industry to increase funds for research and to encourage drug trials.

The most important way for you to have an impact on FSH MD is to make a gift to the FSH Society. Thank you.

**We can no longer sit and cope  
We must get active and hope!**

The FSH Society is an Independent 501(c)(3) non-profit and tax-exempt organization. Tax ID# 52-1762747
