

# Letterhead User Specs

## ELECTRONIC LETTERHEAD

For your convenience, templates are available in Microsoft Word format for printed and electronic communication. A version without the Portland State University logo and address can be used on printed letterhead stock. A version that includes the logo and address can be sent electronically.

There are a limited number of site licenses for the official fonts, therefore the Word template was created using the secondary fonts, Verdana and Garamond. If you have the official fonts (Frutiger and Adobe Garamond), alternate templates are available from University Communications upon request. No other fonts should be used.

*Please note that if you use automated window envelopes, the date must be repositioned so the address is visible in the window. A standard template and a window envelope template are available for use.*

## CUSTOMIZING THE ELECTRONIC LETTERHEAD TEMPLATE

Once you have the master template on your computer, you may customize the header with your department and address information. There are the two basic address treatments: single department and school/college with departments. Examples below:

Line 1: Leave an empty line here — [blank]  
Line 2: Department — Office of University Communication

Lines 4+: Address information — [ Post Office Box 751 503-725-5555 tel  
Portland, Oregon 97207-0751 503-725-5555 fax  
email@pdx.edu  
www.pdx.edu

---

Line 1: School/College in bold — **College of Liberal Arts and Sciences**  
Line 2: Department(s) — Department of English | Center for Excellence in Writing

Lines 4+: Address information — [ Post Office Box 751 503-725-5555 tel  
Portland, Oregon 97207-0751 503-725-5555 fax  
email@pdx.edu  
www.pdx.edu

---

Notes: The school or college name should be bold and on its own line. No other department or unit should be bold. If you list more than one department or unit, separate the two names by placing a vertical bar (“|”) between them with two spaces on each side of the bar. If the names are too long for the provided text box, list the departments or units on separate lines and omit the vertical bar. Do not resize or reposition text boxes in the template.

# Letterhead User Specs

## PRINTED LETTERHEAD TEMPLATE

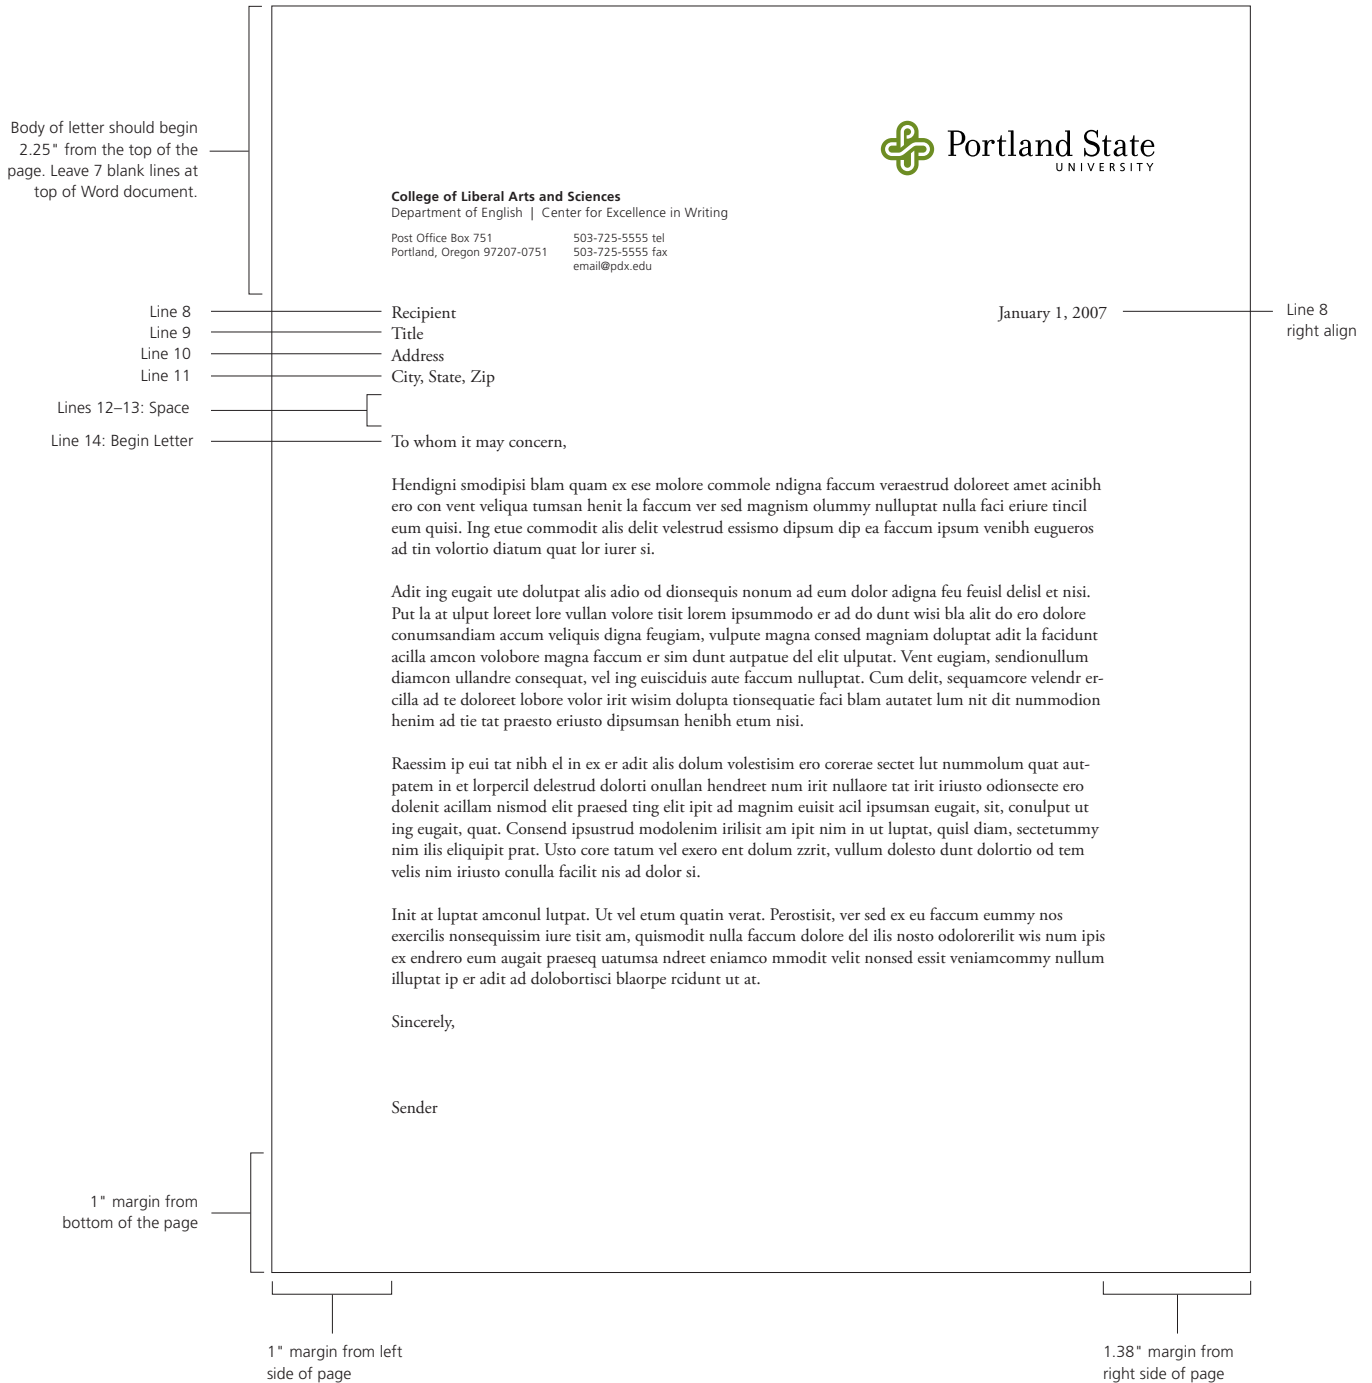

Use: psu\_plt\_standard.doc

# Letterhead User Specs

## PRINTED LETTERHEAD TEMPLATE: WINDOW ENVELOPE\*

Use: psu\_plt\_window.doc

\*The date is right justified on Line 8 so there is adequate room for displaying an address in a standard window envelope.

# Letterhead User Specs

## ELECTRONIC LETTERHEAD TEMPLATE

School/College: Verdana Bold, 7.5 pt or Frutiger Bold, 8.5 pt  
Department: Verdana, 6.5 pt or Frutiger Light, 7.5 pt  
Body of Letter: Garamond, 10 pt or Adobe Garamond, 11 pt

Use: psu\_elt\_standard.doc

Body of letter should begin 2.25" from the top of the page. Leave 7 blank lines at top of Word document.
